

Welcome to the neighborhood!

We are glad you chose a home in the Villages of Creekside community. Please take a moment to become more familiar with the community by reviewing the information on these web-based applications and printed materials supported by the Home Owners Association (HOA) Board and Committee members.

Villages of Creekside web page

<http://www.thevillagesofcreekside.com>

This webpage will help identify information about the neighborhood, the HOA and committees.

Villages of Creekside Facebook page

Request membership to this closed Facebook page using the following search "The Villages of Creekside Community Events".

This page is designed to help keep members of our community informed of different events occurring throughout the year

Community Trash and Recycling Services

The HOA has contracted with Waste in Time Disposal. (717) 892-8128

There is no need to start or stop services as it is included in the quarterly dues. Trash and recycling is collected on Monday Mornings, unless there is a holiday on a Monday, in which case, collection will be on Tuesday that week. It is recommended that you put your receptacles at the curb the evening before collection. Please do not block access to your mailbox. Homeowners are responsible for purchasing their own receptacles.

A member of the welcoming committee will stop by to visit you soon! Please remember to complete the enclosed "Unit Information Sheet". This will ensure you are receiving any necessary email communication and the community magazine.

Welcome to the Villages of Creekside!
