What's Been Happening?

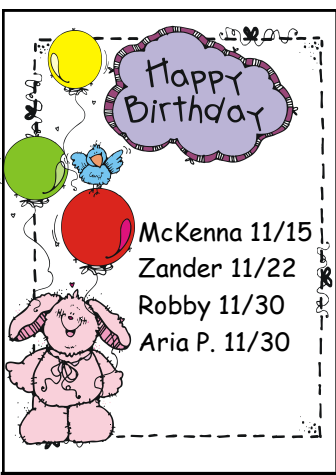

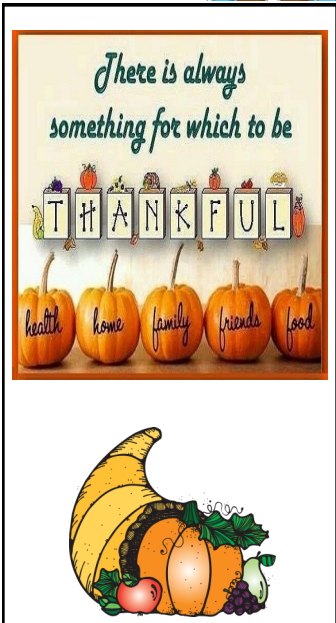

October was packed with loads of excitement! The children enjoyed exploring about pumpkins, and apples. Our trip to the Pumpkin Patch was also a hit! The children were able to explore a real farm with animals, pumpkins, a corn pit, and hay rides, I'm sure they slept well that night! It's so great to watch how much our class is growing and learning as we start to work our way through the alphabet.

Warm Regards,
Ms. Oval

It's November! What Are We Going To Do?

We are diving into the season of gratitude. Along with learning about turkeys we will be recognizing what we are thankful for both at home and at school. Please talk to your child about what he/she is thankful for to reinforce what is being learned at school.
