

Daphne Young has 25+ years of experience working with people with disabilities. Her experience includes assisting people with disabilities obtain/maintain employment, Social Security benefits, medical and mental health care, and advocacy services. She has worked on several different Social Security projects throughout her career, including her position as a CWIC for a large non-profit organization in Michigan. She joined Full Circle's team in August 2015 as a Certified Benefits Counselor. She has a BS in Sociology and is certified as a Community Work Incentives Coordinator through the Social Security Administration. Daphne can be reached at daphne.young@fullcircledc.com.
