

We are seeking a business valuation appraiser to join our Indianapolis-based team.

Applicant requirements:

- 3+ years of business valuation experience
- Bachelor's degree in finance, accounting, or related business field
- Must hold one or more of the following designations: ASA, ABV, CVA, or CBA
**Experience with SBA collateral financing valuations is preferred, but not required.*

Our appraisers individually manage each valuation assignment from start to finish, utilizing all of the following skillsets:

- Strong interpersonal and communication skills, both written and verbal
- Comfort with interviewing clients, business owners, and other key parties
- Valuation modeling and proper use of industry resources
- Writing, explaining, and defending USPAP-compliant BV reports
- Proficiency with Excel and Word
- Understanding of client relations, timelines, and communicating with sales staff

Capitale Analytics is focused on providing high-quality valuation services to financial clients, both regional and national. We promote work/life balance and a relaxed working atmosphere, while also maintaining high expectations for each team member.

Compensation includes 401(k) and vacation; salary will be competitive and negotiable based on experience and credentials. There may be remote work opportunities.
