

SKILL BUILDERS

A multidisciplinary approach designed to build the skills required for success in preschool and kindergarten.

BUILDING EDUCATIONAL SKILLS FOR SUCCESSFUL LEARNING:

- * LEARNING CLASSROOM ROUTINES
- * SUSTAINED ATTENTION
- * TASK COMPLETION
- * NON-VERBAL and VERBAL COMMUNICATION
- * EXPRESSIVE and RECEPTIVE LANGUAGE
- * GROSS and FINE MOTOR SKILLS FOR ACADEMIC and DAILY LIFE
- * TRANSITIONS
- * INTERACTIVE PLAY
- * SOCIAL SKILLS
- * APPROPRIATE FUNCTIONAL BEHAVIOR

...and more!

"We work closely with families to develop individual therapeutic goals based on the unique needs of each child, building the skills necessary for success in educational and social environments"

- Janice Pagano,
M.A. SLP-CCC, Clinical Director

GET OFF TO A GOOD START!

SKILL BUILDERS focuses on developing the social, communicative, behavioral, functional and core skills for success in school.

Our team incorporates a range of therapy programs using a multi-sensory approach, encouraging active and interactive participation.

Each child is screened, to ensure appropriate program placement according to skill level.

Ongoing support and education for families and caregivers to ensure continued progress toward all individual goals.

Adult/Child ratio is appropriately small to keep students on track.
