## 2016 DUES

Dear Neighbors,

See below your 2016 dues notice for Merrywood Property Owners Association. Please detach and return with your check for \$30.00.

Life here in Merrywood requires a certain amount of maintenance and good citizenship. Thank you.

Just as a quick recap, 2015 started off rather exciting!! with K-9s flying over fences and people being chased down the street. The situation did resolve thanks to **our wonderful Sheriff Deputies**, their ranking officers plus our Councilman, Red Thompsons. efforts. The good news from Animal Control is they are supposed to establish a protocol so nothing like that happens again.

***I'd like to stress my appreciation for the cooperation I get from our Sheriff's Deputies. Our Deputies take personal interest in this community. They don't disappear when I am finished speaking with them – they follow up. They are patrolling day and night and personally initiate action. I am very grateful to them.***

***Please let them know you appreciate them. It makes a difference.***

The rest of the year settled out into our usual hummm. Covenant reviews on building plans were done as usual as our community grows.

Best wishes to all in the New Year. If you are new to the community, please be sure to send your information in promptly.

Allyson Keller  
President, MPOA
