

For everything there is a season, a time for every activity under heaven- Ecclesiastes 3:1. WEW, Inc has been a blessing in a season of my life, when I needed to know if God still heard my prayers. Continuing financial struggles and health issues caused a cloud of discouragement to hover over my mind.

My turn around began at the Pajama Praise Retreat! Two days before I arrived, I had a medical procedure done and it left me with adverse side effects from anesthesia and I did not have full mobility of my right leg, which left me to drag it around. But, I was determined to still attend the retreat. Each speaker spoke volumes into my life. But the most memorable moment was when the guest psalmist gave an encouraging word about her healing coming through her Worship. I immersed myself completely in the atmosphere. By the next morning I had full mobility in my leg and I was able to participate in the Zumba Workout Class! Praise God!

I have been doubly blessed by this phenomenal organization, in that I was chosen as the 2016 recipient for the Room Makeover! A long-time dream of mine became reality through the generosity of these wonderful ladies. I now have a space where I can dream, hope, create, and relax! The spirit of excellence and efficiency of work is shown in every area of my room. And to top it off it was completed in 2 days! This life changing experience has empowered me and many other women to be all that God wants us to be and to never stop believing! The heart of WEW, Inc, is an outstanding representation of the love of Christ and I will forever be grateful for this timely connection. It has enabled me to always know with certainty that God hears our prayers, and he answers them right on time!

Forever Grateful,
