

Happy Sunday!

Thank you for the generous amount of positive vibes and countless prayers during the past few weeks. I am no longer in the hospital and at home resting. I will begin back to work this week, but only a few hours each day. Thank you for your patience during this time of healing. I know so much is coming down the pipeline and we will work together to accomplish everything we need to.

I want to thank my faculty, staff, Roxie Martin and so many others for keeping MIQ afloat while I was away. Such a testament to how much our school and community are loved.

There is no hot lunch. Please send your child with a snack and lunch each day. Milk is still available, as is fundraiser lunches on Thursdays for purchase.

Stay tuned for our Catholic Schools Week schedule. We have a jam packed week full of activities and events. **As part of this week (1/28-2/1) we will be having an Open House for prospective families on Wednesday, 1/30 at 6pm.** We need to get the word out and I need help with this! There are printed postcards in the front office. Please come and grab a few to give to friends or family looking for that special school.

-Rachael Manzo, MIQ Principal
