Acknowledged with Thanks **\$1,980.00**

Due to Covid 19 our parish is experiencing financial challenges. As Masses have been cancelled, we still have many expenses to maintain, such as heat, light, insurance, etc. Realizing this situation affects everyone and some more devastating than others, it can be a stressful time for families. Some parishioners have inquired about their Sunday Collection, anyone who would like to still continue your weekly collection you are welcome to do so and it would be greatly appreciated. For those who have contributed, Thank You So Much. You can mail your envelopes to the address to the left, or you can drop your envelopes in the mailbox outside the office door. When you do the latter, please ring the doorbell to notify Helen at the office that it is there so she can pick up immediately. **Please refrain from depositing at the office door outside of office hours.**

Recycling Fundraiser

We have a new recycling bin, thanks to Gail Richards and her family. It is placed next to the parish centre door in front of the building. We ask that you drop off your recycling in this bin on Mondays if possible. This will give Gail time to bring the bags to the depot and get a report for the bulletin. Thank you to all who are contributing to this fundraiser, it seems to be going very well. To date we have a total of \$279.20 in our recycling account. You can also drop your bags at the Chamberlains depot under telephone number 325-3881.

Direct Giving

We are currently in the process of setting up Direct Giving with the bank. This will enable you to make your contributions through an automatic debit with the bank. More information to come in the next few weeks.
