Instructions

1. Check the piece over for blemishes and wipe back with paper towel.
2. Using provided Pattern, Red Pencil and Clay Carbon transfer the design onto plate.
3. Damp sponge the ware to remove any dust and to condition the piece for decorating.
4. Complete the design as follows blocking in three coats of each color as smoothly as possible. Be neat and use the #10 Shader and the various Rounds requested. Complete the design area first and then proceed last with the background.
 - a. Wineglass **Really White**
 - b. Wine **Dark Wine**
 - c. Opening of Cheese **Bright Saffron**
 - d. Wax on Cheese **Really Red**
 - e. Wine Bottle **Bright Kelp**
 - f. Label on Wine Bottle **Bright Aqua**
 - g. Grapes **Light Grape**
5. Shade as follows with #10 Shader fully water dampened and corner loaded with:
 - a. **Light Aqua** for the wineglass.
 - b. **Neon Orange** for the cheese opening
 - c. A mix of **Really Red** and a hint of **Dark Black** for shading on the wax of the cheese.
 - d. If desired shade the edge of wine bottle with **Bright Kelp** and a hint of **Dark Black**.
6. Shade the grapes using the small Round or the #4 Shader using:
 - a. **Dark Wine**
 - b. **Really Red**
 - c. **Bright Grape**
 - d. **Dark Grape**
 - e. **Dark Purple**

Be sure to follow the contour of the grapes when shading and highlighting is applied.
7. Using the #6 Round and Glaze Fan apply three very smooth coats of **Ginger Sprinkles** to the background and back side of the ware. Be neat with the application.
8. Allow the **Ginger Sprinkles** some time to dry.
9. Thin **Dark Black** with water or Thin 'n Shade to light cream consistency. Fully load #1 Liner with thinned **Dark Black**. Proceed to detail the entire design and be sure to sign the piece.
10. Allow to dry 24-hours.
11. Smoothly apply one coat of **Pure Brilliance** to entire piece. Allow to dry before firing.
12. Stilt ware and fire to shelf cone 06.
13. Remove stilt marks with stilt stone or Dremel tool.
