- Attire: Black "PBurg Band" shirt or plain black t shirt / Plain black athletic / mesh shorts / Black marching band Dinkle shoe or black sneaker (guard)

- We will only be performing from the stands for this event

- Temperature checks and all social distancing guidelines are still in place

WEEKLY UPDATE

STATELINER BANDS: SEPTEMBER 14-20

A MESSAGE FROM THE DIRECTOR:

Parents: As we near the end of one full month together, I would like to personally thank all of you for the continued belief that you have in our music program. Many of you began this season not quite sure what to expect, we were not sure either! Ultimately, the 2020 season is shaping up to be a strong reminder that teamwork and hard work can overcome most obstacles. Thank you for the temperature checks, BandApp updates, patience as we figure out weather scenarios, and for the blind faith you have given our band staff. Please consider attending the band booster meeting that will be held on September 14 in Maloney Stadium.

Student Members: Keep pushing forward! You have clearly progressed tenfold since our first full rehearsal on August 17. It has been a joy to watch rookies bond with section leaders, vets take on new leadership roles, and the entire band improve every single time we get together. While it has now become routine, do not underestimate the importance of continuing to self-assess on Hudl when not in rehearsal. We are quickly moving forward on two special, never before attempted events. Our band community night in Maloney Stadium as well as our full length album recording are going to be memorable and amazing experiences. The work needed in order to make these two endeavors a success begins now, with each and every one of you!

Sincerely, Mr. Fleming
