DiReCTOR'S NoTeS

Such a lot of livin' to do... that about sums it up. The journey from auditions to performance is a whole lot of livin'. Once again the incredibly talented and committed students at Lakeside have pulled out all the stops to give you a rollickin' good trip back in time to the sweet and innocent days of going steady and ten o'clock curfews (It has been interesting to see them learn how to hold an actual phone handle with a cord).

In addition to the onstage performances, we have to commend the dedication of the stage crew, the parents and students who spent hours building and painting and sewing, and the accompaniment of the student musicians. We hope you enjoy the time you spend with us as we so endearingly say, Bye Bye Birdie!

Introducing...

The Lakeside Drama Club Association

For the Love of Theatre

Newly formed, the Lakeside Drama Club Association (LDCA) is a parent-run group sanctioned by the Lakeside administration to oversee student drama and musical productions.

LDCA's purpose is to help provide excellent drama and musical theatre opportunities for Lakeside students, as well as promote the development, education, and continuation of the performing arts to supplement the curriculum at Lakeside High School.

We welcome contributions of ideas, suggestions, comments, and especially hard work, money, and commitment.

For the love of theatre, join us.
