

SECRETS VS. SURPRISES

When someone tells you to never tell anyone. This can make you feel sad, uncomfortable, or even scared.

Something inappropriate that someone shows you, whether it's a picture, a video, etc.

Any touch - especially if it makes you feel confused or uncomfortable.

Make everyone feel safe and are fun, and are eventually revealed. No one is ever in danger or trouble.

Surprise party!!

A birthday present or holiday gift!

Become a NO secret family. Understand why surprises are good, but secrets could be bad.
