Parent Solutions

www.PS-CA.com

Name of service: Single Parenting

Explanation of service: This type of parenting provides a parent with tools to prepare for single parenting. Newly single father's have greatly benefit from this service. We may meet you in your home and provide you with safety tips, help you organize your time to be prepared, and give you instant feedback on different approaches to situations that occur when the clinician is with you and mentioned during our session.

How this works: This is a curriculum based service that will assist those who need help with how to multi-task, be safe, and know how to be a single parent without creating dependencies on others. This teaches you how to answer difficult questions asked by your child.

Therapist involvement: May have sessions in the office or in your home. We are able to provide visual safety assessments and recommendations.

Schedule: Flexible Monday-Saturday, days and evenings

Location: San Jose and Morgan Hill

Language: Spanish and English

Cost: Sliding scale

Availability to begin service: Services can usually begin within 10 days of enrollment.

Required to enroll:
