Life of Faith

Now to him who is able to establish you by my gospel and the proclamation of Jesus Christ, according to the revelation of the mystery hidden for long ages past, but now revealed and made known through the prophetic writings by the command of the eternal God, so that all nations might believe and obey him—to the only wise God be glory forever through Jesus Christ! Amen.

Romans 16:25–27 (NIV)

There is an ancient Greek myth about a man named Sisyphus, whose fate it was to roll a boulder up a steep hill. He would work and push, and labor and haul at that boulder. He would advance it a few feet. But whenever he stopped to rest, the boulder would roll back down the hill. And all his progress would be lost.

Is that sometimes how it feels with your spiritual life? Do you try to move forward in your life of faith, only to lose the ground you just gained? Do you sometimes feel like it's an impossible task to progress your life as a Christian? Do you ever feel shaky about just trying to maintain your footing on the “steep slope” of life?

God is able to establish you. God is able to make you stand firm. God has the power to place your feet on solid ground.

Picture a construction site. The lot is cleared. The ground is levelled. And then...bam! bam! bam! Pile drivers pound the backbone of the building firmly into the ground.

Picture God doing that with you. He takes the message of your Savior, announced in advance through the Old Testament prophets and revealed in the writings of the New Testament, and drives it deep into your heart. God takes the good news of Jesus Christ—his blessed birth in Bethlehem, his life lived for you, his death on the cross for you, and his resurrection from the dead for you—and firmly builds your faith on it.

Moving forward in our life of faith is hard work. It takes perseverance. It sometimes seems impossible, given our sinful weakness. But our gracious God is the one who establishes us in the good news message of Christmas. God is the one who keeps us firmly grounded in his loving promises. God is the one who gives us the power to progress in our life of faith.

To him be glory forever through Jesus Christ!

Prayer:

Dear Father, you see how I struggle in my life as your child. Establish me in faith, ground me firmly in your promises of love and forgiveness in Christ, and give me the strength to serve you and others. Amen.

Daily Devotions are brought to you by WELS and www.WhatAboutJesus.com.

Pastor Schupmann's Call is Returned

Fellow Brothers and Sisters of St. John's,

I come to you in the name of our Lord Jesus Christ, the Lord of the Church and our Savior from sin. Grace and peace are indeed yours through the blood of the Lamb, that was born for you in Bethlehem and was slain on the cross of Calvary.

Divine Calls are a blessing from God. They cause church bodies to stop and think. They cause God's people to pray and encourage. They benefit the Kingdom of God as a whole, even though they can be very challenging and uncomfortable at times.

On November 28th, the Holy Spirit lead Emanuel First Lutheran of Lansing, MI to issue a divine call to me. Through this process I have had an opportunity to listen to you, my loving wife, brothers in the ministry, my fellow called workers here at St. John's, the saints of Emanuel First Lutheran and to do some careful soul-searching, praying and deliberating on my own.

Through my deliberations I took note of a number of things, a few of which I would like to highlight:

Pastor Brandt maybe new here but he is very capable of leading God's people. He is a faithful servant of the Word. He may not know your name, but he is not afraid to bring you, Jesus. In the almost six months that he has been here, he has already proven to be an excellent associate. He is wise, caring and has an incredible family. Pastor Brandt, his wife Heide, and children are incredible blessings from God. Our called workers at our school (Mr. Cody, Mr. Lober, Mr. Krebs, Mrs. Colantonio, Mrs. Noldan, Mrs. Gunst, Mrs. Zellmer and Mrs. Schultz) are incredibly faithful in their callings to their Lord. They serve our children with God's Word. They love and care for the families that God has entrusted them with. They work together to carry out the mission of the Church and they do so with humble hearts. We are so very blessed!

Our church has some major things in the "slow cooker". You are not standing still. You are not wondering what to do. You are pushing and pulling and challenging yourself as you care for your called workers and as you do gospel ministry with them. You are not taking for granted the blessings that God has given to you in the gospel and working hard and being more mission-minded even though we are an old, established congregation.

That then leads me to my decision on my call. And so, after prayerful consideration, the Lord has led me to return the call to Emanuel First.

That means by the grace of God I will stay here at St. John's and continue to serve as an associate pastor right alongside, my friend and brother in Christ, Pastor David Brandt, as well as the other staff and called workers here at St. John's.

My wife and I would like to say thank you for the kind, thoughtful, and encouraging words that so many of you gave to us, as well as the many prayers that were offered up.

It is my prayer that we as a congregation continue to pray for the faithful preaching and teaching of God's holy Word here at St. John's. It is also my prayer that we continue to support the gospel ministry being done here at St. John's with our very best, whether it be our offerings in the plate or our talents and gifts that God has given to us.

We have some challenges at St. John's that will take a family effort to solve and to overcome. The good news is we have been given the tools by our God to get the "job" done. By remaining here, I will step up my efforts to

focus in on how we can successfully carry out the mission of the church together using God’s Word. I will be working closely with Pastor Brandt, Mr. Cody, and our leadership to assure that we keep Christ as the main focus of what we do here at St. John’s.

Starting in January you will all be encouraged to sign up for an “every member” visit. This visit will include 30 minutes with Pastor Brandt and 30 minutes with me. God’s Word and other information will be shared. Part of me staying here means that you must talk with us and work with us as brothers in sisters in Christ to carry out the mission of the church. We are not in a holding pattern like we were during our vacancy. Ministry will be ramped up here according to God’s grace and done in accordance with His will.

At noon on January 28th, we will have a very important Open Forum in which all our members are invited and encouraged to attend. I will not beg for your attendance, but I will say that if we do not come together as a congregation at these meetings we will suffer as a body. In this meeting, we will be communicating to you about what God has called us to do as a Christian Church and the challenges that we are facing as a family of believers in order to carry out that mission. Our vision must be clear, crystal clear and aimed at Jesus and the work he has given us to do.

By God’s grace, we do have work to do at St. John’s. We will ask you for your time, your talents and encourage you to give generously so that the work of our Savior maybe carried out.

According to God’s grace and will, 2018 will be a big year for St. John’s as we grow in God’s grace, share His love, and put Christ’s love into action individually and as a congregation.

May God bless my decision and the work that we do together in his name.

In Christ’s Humble Service,

Pastor Paul W. Schupmann

Organ Fund Update

Did you know St. John’s is saving for a new organ? Many of the functions on our current 1969 Allen electric organ no longer work and the organ is too old to be fixed adequately. St. John’s organized an Organ Committee early in 2017 to assess what our needs are and to recommend an organ for purchase. The committee recommended a Rogers electric organ. The cost of the organ is \$113,000. Many members of St. John’s have given towards the new organ fund. In 2017 (January 1st-December 22nd), \$43,957 has been given to the organ fund! To God be praised! This brings our current fund to about \$79,000 with about \$34,000 still needed. Please keep our congregation in your prayers as we continue to save for this beautiful instrument to be used to edify our worship. God willing, we will have a new organ by Easter 2018 or at least by Christmas 2018!

NEWS FROM ST. JOHN'S

Special Open Forum: St. John's will have a special Open Forum at Noon on Sunday, January 28th. There will be a light meal served at the forum. All members of our congregation are highly encouraged to attend.

Lenten Meals: It's time to start thinking about hosting a Lenten Meal. Ash Wednesday is earlier this year on Wednesday, February 14th. Please see the sheet in the narthex if your group would like to host a meal. Thank you!

Ushers Needed: St. John's is in need of ushers for its Thursday evening services. Please speak with one of the pastors or Rick Leissring if you are able to volunteer. Thank you!

Childcare Workers Needed: St. John's Lutheran in Watertown is blessed to have a year round childcare center that serves families with children ranging from six weeks old through 8th grade. Our goal is to provide high quality care and education in a loving, learning, and nurturing environment. As the childcare center continues to grow we are looking to add more individuals to fill needed staff positions. There are various opportunities to help with this program; however we are specifically needing teachers or teaching assistants to work part time or up to 40 hours per week. St. John's offers competitive wages for all staff, and vacation benefits for full time workers. If you or someone you know is interested and would like more information on the responsibilities or hours, please contact Chris Mueller at 920-261-3756 or email childcare@stjohnswatertown.org.

Merry Christmas and Happy New Year to all you at St. John's and the school children.

Thank you to all the people who contributed and made up one "Great Christmas Basket." It sure came in handy to reach and get a good snack while I was watching ball games. Thank you to all the carolers and for all the Christmas cards.

Palmer Tietz

Thank you! Thank you! Thank you!

To all cookie bakers, all candy makers and drivers, and goodies donators, all packages, all who made special treats, all children who made special cards for our shut-ins. What a wonderful way to remember our members and share Jesus' love with them.
