Clarifications on Prep time and Subs

As we begin to digest what the district's update means to us as members, there are a few points I feel I must address and clarify.

1. Prep time: The district does not have to give up more prep time; they gave us the time for both Hybrid and Distance; I did ask. They replied that campuses would be open starting Monday (check with your admin for hours) for the next two weeks, so you have plenty of time to prep. During Parent-Teacher Conferences (PTC), campuses will have extended hours, according to the Superintendent.

2. If you feel sick (after the vaccine or in general), call out. Reschedule with your parents, or utilize subs. Use sick days if you are sick. We have been assured there are subs. The unemployment extension ends on March 1st, so more will be available.
