Building Healthy Families: Valentine's Day is coming soon! This year, try something new: Go through the entire day WITHOUT saying, "I love you!" What? Instead, look for other ways to say it! How about, "My life is better because you are in it," or "I am so proud that you are my daughter," or "I am so thankful that God brought you into my life." Be creative! And remember – on Valentine's Day and always - how much you are loved by your Father (John 15:9-17) **Lutheran Family Service**

"Our sexuality can glorify God by demonstrating the beauty of both flourishing and forgiveness. And the good news about this is that every single Christian can express the truth of at least one of those options. If you did not follow God's plan for flourishing, you haven't blown your chance to honor and glorify God with your body. Acknowledging where you rejected His wisdom, accepting His forgiveness, and living in the joy of that peace also points others to the glory of God." *Amy K. Hall, Stand to Reason – A Life Quote from Lutherans For Life* • www.lutheransforlife.org
