From the Editor

Well the time is near. Looks like we will have some nice spring weather for Springfest in Helen. I am still working on getting my car ready and hopefully finishing Chuck Smith's car next week so we both have time to test them out before the ride to Helen. Pictured above is Dean Gemberling's Rampside which now has A/C. He did a great job installing it. I am still needing articles from you all on how you got into Corvairs. This month I don't have one so please send me your story so I can have an abundance to share. See you in Helen.

**From The White House – Well I live in a white house – Chuck Smith -
President**

Boy, this year is scooting on by. April sneaked (snuck?) up on me. Our editor-in-chief had to send me a friendly reminder to turn in my article for this months newsletter. We have been very busy the last few weeks. Ga. Power has bought our house and property, as they have all of the properties on our road, for future plant expansion. Needless to say, the negotiations back and forth have been mind wrenching. We hate to have to leave our home of 18 years, but we have found a house closer to Forsyth, with almost 12 acres. And get this, there is covered space for 7 vehicles. But we already have 7 vehicles, so no more Corvairs (for now!).

Another thing that has slipped up on us is Springfest 2018. Now is the time for all good men and women to come to the aid of their Corvair club. There is much work to be done to make this event a success. But hey, we are all family and friends, and although we do work hard, it is still a lot of fun getting to see and talk to everyone, and make new Corvair friends.

Hope to see you in Helen

Chuck

P.S. Have you sent your " How I Got Into Corvairs" story to Clay yet?

How I Got involved with Corvairs – this month from ??????

Please send me a short story to add to next months newsletter

Thanks

Brooks Dugger's 63 at the March Meeting

Change of Venue from Vulcan's Vice President – Billy Cannon

Everyone,

Due to scheduling conflicts (by Barber Motorsports and NO fault of our own), we must change the 'Corvairs on the Track' from the Barber raceway to the 'Talladega Grand Prix' (TGP) track!

TGP is a 1.4 mile road course located near Munford, Al.

A couple of positives from this, in my opinion:

1. Rather than 4-5 laps at Barber, we have the opportunity and time to do 10-15 laps at TGP.
2. The 'Corvair Caravan Drive' from the host hotel to TGP will be about an hour through some of the nicest, and picturesque countryside and waterways that central Alabama has to offer.
3. We have added, for all participants, a free home cooked lunch provided by Pam Butterworth, owner of the 'Chubbie Chicks' restaurant. Pam and her mother are 'Corvair Girls' but just sold their last Corvair 3 months ago.

ALL scheduled events for Friday evening Cruise-In at the Drive-In remain as they are and a very large turnout is expected.

Hospitality room all weekend and Saturday Banquet also remain unchanged.

Most details for the change of track venue are done and solidified. If you have any questions please don't hesitate to ask.

We look forward to seeing everyone at Goodwater Baptist Church for the old-fashioned cookout and monthly meeting Saturday, 21 April at NOON!
