OFFICIAL PUBLICATION OF THE HOUGHS NECK COMMUNITY COUNCIL, INC. © 2018

MAY 2018 VOLUME 61 ISSUE 9

**Presidents Message:** The month of May, brings the beautiful flowers,color in the trees and lots of sunshine. Be sure to thank the members of the Houghs Neck Garden Club for their efforts making Houghs Neck common spaces look so good. Last month the community council hosted members of the Quincy Community Police unit to discuss what we as a community can do to cut down on the vandalism, graffiti and large groups of people gathering throughout the community. I want to personally thank Lieutenant Robert Bina, Officer's William Mitchell, Matthew Miller and James Goldrick for taking time out of their busy schedule to meet with us and for their input. This may sound like a cliché but "SEE SOMETHING ~ SAY SOMETHING". The police department is working for us the residents and if we see something and don't tell them they can't do anything. Your calls can be anonymous so only you know you called. There was not a large crowd but those that attended came away with a better understanding of the community police. I also want to thank Lieutenant Robert Gillan of the Marine Unit for discussing the proposed Maritime Center. He stated that the ward Councilor will be here in May to have further discussions. Gillian informed us the funding for the ramp is all set and as soon as the old building is torn down the new ramp will be built. During construction of the ramp the present ramp will remain open for use. That was a relief to many. The Community Council is hosting another Open Meeting, this time with Ward One Councilor Dave McCarthy, we had to reschedule this meeting from March because of a conflict with the fundraiser for the flood victims. We will be selling Plants at the Annual Dot Laing Memorial Flower Sale, Sat May 19, 10AM to 1PM see the display ad below. The good weather will bring out a lot of activities so please read every page to see if any of the events interest you. Happy Mothers Day to all the mothers in Houghs Neck. Bring the family to the Quincy Yacht Club for Breakfast, All mothers are free. The Garden Club is hosting their Annual Plant Auction and the public is invited May 23 at the church hall on Darrow Street. I also want to thank the members of our military for their service and to remember those that have given the ultimate sacrifice for their country. Happy Memorial Day. If you see a Veteran be sure to say thanks.

See ya around Dave

## Our first home. The kid's college tuition. Our daughter's wedding. He planned for everything.

Including making his funeral arrangements ahead of time. I'm thankful that he took care of the details in advance and saved me the added anxiety of having to make dozens of decisions at a difficult time. And because he paid for his services in advance, my family was not left with a financial burden, but with peace of mind knowing his wishes will be honored.

The professionals of Deware Funeral Home took care of all of the details and helped us plan a fitting tribute to a life well lived.

The Houghs Neck Garden Club will hold two meetings in May. On Wednesday, May 2nd, our speaker is Meg Muchkenhopt. Muchkenhopt is an environmental and travel writer. Her topic is "Boston's Gardens and Green Spaces." Meg will talk about the origins and reinventing of public spaces in Greater Boston. This meeting will be held in the MWRA Community Room at Nut Island, 2nd floor, 149 Sea Street, starting at 7pm with refreshments and a brief business meeting followed by the program at 7:30pm.

On May 23rd at 6.15pm, the club will hold its annual Plant Auction at the St. Thomas Aquinas Hall on Darrow Street in Houghs Neck. Members and guests bring cuttings or plants from their gardens to share with others. This popular event is open to the public who may come away with some great plant bargains! Note that the date for this event has been changed this year from June to May. Members are reminded to renew their membership by this meeting, after which late renewals will be \$30.

The plant auction is the final meeting of the 2017-18 garden club year. The first meeting of the 2018-19 year will be on August 1. After that the schedule of meetings will change, with meetings being held in July and August instead of January and February.

## TROOP 6 NEWS

Whew! It has been an incredibly busy month since I last wrote this article. We have had a coin show, a camping trip, an Eagle ceremony, and a couple of service projects. All this in addition to our regular meetings and advancement.

Through the winter there have been a small group of scouts working on Coin Collecting Merit Badge, and at the end of March many of them attended a huge coin show up in Manchester, NH. The scouts all came home with big smiles and lots of free 'stuff'.

Over April 7-8, the Boy Scouts and the Cub Scouts from Pack 6 spent the weekend exploring Fort Adams in Newport, RI. Although it was bitter cold, the scouts camped outside while the cubs enjoyed the warmth of the awesome bunk room at the Fort. We all enjoyed our tour, especially the creepy dark 'listening' tunnels that the Fort used as defensive measures. The food was great (thanks to Brian Laroche!) and we enjoyed a roaring fire on Saturday evening to keep warm and roast marshmallows. Although the Fort is supposedly haunted, we didn't see any ghosts, but there were definitely a few good scares! On Sunday, the Troop headed over to The Breakers, one of the most opulent mansions in Newport. The scouts were completely blown away by the size and scale and beauty of the place. We finished off the trip with some of the best – and craziest

– pizza we have ever had.

The following Saturday, we were honored to help our good friend Joe Brill and the Legion Post with their amazing flag display at Fort Square. The scouts even made it into the Quincy Sun! That afternoon, we took the entire Troop over to our sponsoring institution, the Houghs Neck Congregational Church, for a Life Service Project led by Michael DiBono. Mike did a great job directing some extensive weeding and pruning work, and the church was extremely appreciative. Jake Gordon is also beginning his Eagle Scout service project on the 28th with the first of several work days to help clean up the Crusher. More to come on that work...

Speaking of Eagles, on April 21st, we were honored to be able to present the rank of Eagle to Frankie Reich. We were joined by Representative Tackey Chan, Senator John Keenan, Mayor Tom Koch, Former Mayor Jim Sheets, City Councilors Noel DiBona and Dave McCarthy, School Committee Member Katherine Hubley, and Houghs Neck Community Council President

Dave DiBona and Vice President Kathy Pavidis. We were also joined by nearly 100 of Frankie's family and friends! It was an outstanding event for an outstanding young man who very much has earned his right to wear his Eagle with pride. Congratulations Frankie!

Troop 6 does a fantastic job of keeping our program affordable for all scouts, and our bottle and can drives are one of our biggest fundraisers. Our next bottle drive is May 12th from 9-12 in Labrecque Field parking lot. Our bottle drives will continue to be on the second Saturday of every month, weather permitting. Please consider donating your soda and beer bottles and cans to us rather than tossing them in your recycling. As our Troop grows, the money we earn is being spread thinner and thinner and we really want to continue to run a program where all the activities can be paid for through the boys fundraising efforts. Please feel free to call if you need a pick up!

Yours in Scouting,  
Rob Gordon, Troop 6 Scoutmaster,

Dear Houghs Neck Residents,

As I write this, the House of Representatives is in the midst of debating the Fiscal Year 2019 state budget. The House Committee on Ways and Means state budget recommendation is \$46.361 billion. This is a 3.1% increase from Fiscal Year 2018. Of the \$46.361 billion, \$4.615 billion is by law required to fund the school building assistance fund, the MBTA and the state pension liability. The \$40.983 billion remaining funds the remainder of the budget.

State revenue can be summed up in two categories: state generated tax revenue and non-state generated revenue. The state tax revenue is projected to be \$27.847 billion, and includes the income tax, excise tax and corporate tax. Non-state tax generated revenue is projected to be \$18.415, and includes federal reimbursements, federal grants, settlements and awards from lawsuits, state fines, state fees and the state lottery. The largest federal reimbursement is MassHealth (Medicaid/Medicare), which is \$8.105 billion. The state did see a large tax revenue collection in December (\$892 million above fiscal year 2018 projections), but this was in response to large income and corporate taxpayers deferring their state taxes until the passage of the federal tax reform law. We did not include this as part of our FY 2019 revenue projection calculations and decided to use the more conservative 3.1% revenue increase.

This year the two biggest parts of the state budget are MassHealth (Medicare/Medicaid) and Local Aid for cities and towns. MassHealth makes up 41% of the budget, or \$16.210 billion. Fortunately, enrollment of MassHealth has increased only very slightly from the previous year. Local aid to cities and towns includes the combination of unrestricted financial assistance (\$1.098 billion) and Chapter 70 education funding (\$4.871 billion), which together make up 14% of the budget. The City of Quincy saw an increase of 3.5% in unrestricted financial assistance (\$19,743,316) and 2.6% in Chapter 70 education funding (\$27,326,446).

This year there is a focus on increasing funding for substance abuse treatment and mitigation, mental health and persons with disabilities. The Bureau

of Substance Abuse Addiction Services is funded at \$137.1 million, which includes funding for 5 new recovery centers. Another \$5 million has been allocated specifically for jail diversion programs towards community based treatment. The Department of Mental Health budget has been increased by 12.6% to \$870 million. It will fully fund the Massachusetts Child Psychiatry Access Program and the Adult Community Clinical Services. In the disabilities community there is an \$8.5 million funding increase for community day and employment training. The Children's Autism Waiver is funded at \$5 million. Additionally, an Office of Health Equity would be established to work to eliminate racial and ethnic health care disparities across the Commonwealth. Lastly, we were able to build on our Stabilization "Rainy Day" Fund by increasing it to \$1.463 billion.

In response to the State Police overtime scandal, three special provisions were added to the state budget. A special audit unit would be established to conduct an internal audit of the State Police by the Inspector General. A special legislative commission chaired by the co-chairs of the Joint Committee on Public Service would be established, with members including: the co-chairs of the Joint Committee on Public Safety and Homeland Security; a designee from the Caucus of Women Legislators, the Black and Latino Legislative Caucus, and Asian American Legislative Caucus; the state police colonel; the State Police Association; and a member from each of the four women and minority law enforcement associations.

This year exactly 1,400 amendments have been filed. I have been receiving a consistent stream of emails, phone calls, and letters from constituents, interest groups, and other Representatives requesting support or opposition to various amendments. This has been ongoing for the past two weeks and my office is working to track each individual request and comment.

I wish you all a safe Memorial Day. Thank you to all those who made the ultimate sacrifice and to all the families whose loved ones died in defense of the freedoms we enjoy today.

Tackey

**Register O'Donnell Promotes Homestead Act**

Norfolk County Register of Deeds William P. O'Donnell today reminded homeowners about the importance of filing for Homestead protection.

Under Massachusetts law, a Homestead recording provides for limited protection against the forced sale of an individual's primary residence to satisfy unsecured debt up to \$500,000.

"For most people, their home is the most important financial asset they have," noted Register O'Donnell. "If you own a home, and it is your primary residence, one way to protect it is to file a Homestead. The Homestead law also allows for the filing of an Elderly Homestead application, which defines an elder as a person who is 62 years of age or older. This protection can be increased if the elderly couple files jointly."

O'Donnell further stated, "The Homestead Law was significantly enhanced by an act of the Massachusetts Legislature back in 2011. Language in the new law states a valid Homestead cannot be terminated when refinancing a mortgage. Other changes include wording which states that a Homestead can provide protections for a primary home even if it is kept in trust. The definition of a primary residence has been further expanded to include a manufactured or mobile home."

While a Homestead provides important protections for consumers, it is important to note there are certain debts that are exempted from protection under the Homestead Act. These include federal, state and local tax liens, as well as mortgages contracted for the purchase of a primary home and nursing home liens. Most other mortgages, debts, and encumbrances existing prior to the filing of the Declaration of Homestead, along with probate court executions for spousal and child support, are also not covered under the Homestead protection statute.

Homestead recordings can be filed at the Registry of Deeds for a state imposed fee of \$36.00. To find out more about the Homestead law, or

to get a free application, please go online to the Registry's website at [www.norfolkdeeds.org](http://www.norfolkdeeds.org) or contact the Registry's Customer Service Center at 781-461-6101.

Register O'Donnell concluded, "A Homestead protects consumers against the forced sale of their primary owned residence to satisfy unsecured debt up to \$500,000. While the debt is still owed, homeowners will at least have the comfort of knowing that with a Homestead filed at the Registry of Deeds, their primary residence cannot be forcibly sold to satisfy most debts."

## The American Legion Houghs Neck Post 380

The year was 1956, the place Houghs Neck, Massachusetts. The unconditional surrender of Japan had put an end of World War II eleven years earlier and the Armistice between North and South Korea had been just three years previous. Although there were many full time "Neckers", Houghs Neck was in full swing of its metamorphosis in converting the many summer cottages into year round residences.

During the previous winter of 1955 there had been a discussion amongst the veterans of Houghs Neck to form an American Legion Post. The American Legion, National Organization, was chartered in 1919 and was but a mere 36 years old at the time. On August 13, 1956, at 8:30 p.m., an installation of officers was held at the Bay View Rollerway, 1280 Sea Street in Houghs Neck. Seventy three veterans, seventy two men and one woman, most of them residents of Houghs Neck, became chartered members of the The American Legion, Department of Massachusetts, Houghs Neck Post 380.

A number of years ago the Post fell on financial hard times and was forced to sell its building to pay off its debt. However, we never stopped serving our community and veterans. Houghs Neck Post 380 continues to support many of The American Legion programs and events in our community. In addition to these programs, we also participate in the Quincy Memorial Day and Veterans Day Parade, as well as, the placing of wreaths on Memorial Day to honor our local fallen veterans, at the various parks and locations throughout Houghs Neck, Adams Shore and Germantown.

### Open Meeting of the Houghs Neck Community Council March 20 - 7:00pm Houghs Neck Community Center 1193 Sea Street

Ward 1 City Councilor Dave McCarthy will meet with the community to discuss the future of Quincy, Ward 1 and Houghs Neck Issues. - This is not a meeting to complain but to learn how we as a community can with the assistance of the ward councilor make the Neck a better place to live, work and play.

One of The American Legion program we support is **Boys State**. High school juniors are selected by local American Legion Posts to attend the program. Participants are exposed to the rights and privileges, the duties and the responsibilities of a franchised citizen. The training is objective and practical with city, county and state governments operated by the students elected to the various offices. Activities include legislative sessions, court proceedings, law enforcement presentations, assemblies, bands, chorus and recreational programs.

This year's program will be held June 16 - 22, 2018 at Stonehill College in Easton, Massachusetts. If you know of a young adult who would be interested in attending please contact Post Commander Peter Walsh 857-526-4257. We will be selecting two candidates to represent Houghs Neck Post 380.

Our current membership of 57 veterans served during WWII, Korea, Vietnam, Lebanon, Grenada and Desert Storm. If we are to continue, we also need younger veterans. If you are actively serving in the military, served during any of the wars, or served since August 2, 1990 to the present, and have an honorable discharge, you are eligible to be a member of The American Legion.

We continue to meet at the Houghs Neck Manet Community Center, the second Thursday of the month @ 7:00 P.M. (no meetings in July and August). Please come on down and check us out, or have any questions, give Past Commander, Jim Fratolillo a call at 617-471-0614.

## Harvey's Salt Water Fishing Club

Will hold a fundraiser to benefit the Annual Disabled Veterans Day Salt Water Fishing Trip

The fundraising event will take place at the Town River Yacht Club, 60 Mound Street, Quincy, MA on Saturday, June 16, 2018 starting at 7:00 P.M. and running until 11:00 P.M.

The event includes DJ Music by Mike Murphy, a hot and cold buffet, raffle prizes and a cash bar. All proceeds will go toward the 62nd Annual Disabled Veterans Fishing Outing. "We need your help and support to provide our disabled veterans with one day of outdoor fishing," stated former Quincy City Councilor, Michael Cheney.

This year will mark the 62nd year Harvey's Salt Water Fishing Club has provided disabled veterans with a fishing outing. Cheney stated "For some disabled veterans this is the only day trip out of the hospital. They have given so much for our country the least we can do is provide one day on the water fishing."

Members of the Harvey's Salt Water Fishing Club and friends of disabled veteran's have been proud to host this event 61 years. Volunteers from all walks of life including local lobsterman take the day off from work to help make this a special day for our disabled veterans. Cheney stated "It would be impossible to recognize everyone involved in making this event possible however on behalf of all the disabled veterans

from area hospitals I would like to thank everyone involved weather you donate a dollar or assist on Vet's Day. I would like to thank you for your past help and support. Your involvement has made a difference. This year we need your help more than ever."

This year is special, not only because it marks the 62nd anniversary of this great event but because we are at war and unfortunately, every day we add another disabled veteran to the rolls.

Tickets are available at the door at a cost of \$15.00. All proceeds will go to offsetting the cost of running the Vets Day Event. There are sponsor forms available as well for anyone who wishes to sponsor the event.

We have been proud to be a part of this exciting event and we would like to thank everyone for keeping this tradition alive. If you are unable to attend to can send a contribution to:

Cheryl Cowan, Treasurer Harvey's Salt Water Fishing Club 48 Crosby Street Quincy, MA 02169
