Bread of Life Series

August 15, 2021

Luke 1:39-56

"Blessed are you who believed that what was spoken to you by the Lord would be fulfilled." (Luke 1:45). Mary was able to believe without doubt that the Lord would fulfill the word spoken to her. How do you know if a word is spoken to you by the Lord without the presence of an angel? If you don't receive regular visits from your guardian angel to give you messages from God, be not afraid! It is said that Mary conceived Jesus in her heart before conceiving him in her womb. Do we fully accept Christ's life in us in our heart first? When we do this, Christ's life in us will grow, and we will be able to discern the Holy Spirit speaking in our hearts, especially when as he speaks through Sacred Scripture and the liturgy. We nourish the life of Christ in us when we receive Communion in faith. Through the Holy Eucharist, we receive untold graces that help us to conform our life to Christ so we can better hear when he is speaking to us and accept his message. May we be more like Mary in hearing and believing what the Lord says. Thank you for your prayers for all the parishes of our Diocese as we reflect on the Bread of Life series. Next week is our last week and we pray that we all experience a profound renewal in our participation in the Mass!

The Assumption of Mary

We celebrate the Assumption of Mary today, August 15!

While Jesus *ascended* into heaven, Mary was *assumed* into heaven. The difference is Jesus could do it on his own while Mary needed help. Mary is held in high regard, some even call her the greatest of all saints. Her humble acceptance of God's will for her is an example we should all strive to follow.

Challenge of the Week:

Find a way to honor and celebrate our Mother Mary! Find some coloring pages, bring some flowers to sit in front of a statue of Mary, or pick one or two nights this week to pray the Rosary.

Notice: Last weekend's bulletin listed Sacrament prep as occurring on the third Wednesday of the month. This is incorrect. Sacrament Prep will occur on the Second Wednesday of the month. Sorry for the confusion.

INSPIRATION FOR THE WEEK

Good mothers have a way of bringing their children hope. When we fall and hurt ourselves, our mothers can help us walk the path of healing. There is hope that we will get better and the trust that we have in mom's comforting assurance allows us to move forward. Mothers know instinctively what we need and what we are capable of doing. They can be one of our biggest cheerleaders in life, and even when facing despair, can point the way to a brighter tomorrow. Our Blessed Mother does precisely that for us today. As one closest to our Lord, she cheers us on with the hope of what life will be for all of us. Although given the unique distinction of being raised in both body and soul, she nonetheless points to our true eternal destiny. Achieving this inheritance overrides any disappointment and her intercession and example inspires us to pick ourselves up when we fall. Always a mother filled with grace and hope, she calls us to reaffirm our faith in God and in the gifts we have each been given as we persevere even in the midst of life's challenges and failures.
