*Please understand this is a request and not a guarantee. We will try our best!*

**Stalls are not guaranteed after September 10th unless you have registered online at [www.horshowsonline.com](http://www.horshowsonline.com)**  
 Stalls will likely sell out -- your final stall count is due Sept 9th (requests after Sept 10th will be charged \$25 late fee per stall)  
 Stalls are non-refundable after Sept 9th regardless of vet/medical note.  
 Tack stalls will be granted per management's discretion.

We would like trainers to submit the stall counts for their students. You only need to send your stall count if you do not have a trainer who is going to submit your stabling request. We want to avoid duplicates, please.
