Responsibilities of Directors

It is important to understand the responsibilities of an REA Director for their 3-year term of office.

First, and foremost, Directors must be committed to work for the continued and increased effectiveness in West Wetaskiwin REA's ability to serve its membership and ensure the REA's interests are paramount above any personal gain or position.

Additionally, Directors must devote the time needed to fulfill Director duties including:

- regular attendance at board meetings (currently the BOD meets monthly),
- commitment to read Board materials and come to the monthly meetings prepared to provide input,
- attendance at stakeholder sessions as required, and
- ad hoc representation at forums or committees relating to the REA.

The Nomination Process

Members interested in standing for election as a Director of the West Wetaskiwin REA must declare themselves on or before Wednesday, March 20, 2024. No nominations will be accepted from the floor.

Please contact the REA office (780-335-9378) or a fellow Director and you will be connected with the Nominating Committee. The Committee will assist the member in formalizing the respective nomination. Communication support will be provided to create a brief bio that will be posted on the REA website in advance of the AGM. Voting will occur at the 2023 AGM and successful candidates announced.

Key Duties Relating to Directors of West Wetaskiwin REA

With regards to responsibilities outlined in the Rural Utilities Act, the following excerpts outline some key duties relating to the power of Directors.

Directors are responsible for the general direction and supervision of the affairs and business of the association and may appoint managers or others considered necessary for the conduct of the affairs and business of the association.

Ancillary accountabilities of Directors include, but are not limited to, the following:

 The power to purchase, lease, exchange, hire or dispose of property necessary for the purpose of the business.

 The power to enter into an agreement for co-operation, joint venture, reciprocal concession, etc. with a person, company or association so as to directly or indirectly benefit the REA.

 The power to enter into arrangements with a government or authority that seem beneficial to the association.

 The power to invest and deal with the money of the association not immediately required (subject to regulations) and to pledge REA credit for the purchase of goods or other transactions.

Nominees and members are encouraged to take these responsibilities and obligations into account when accepting a nomination or when voting for a candidate.

Regulated
Rate
Option

The Regulated Rate Option (RRO) may increase or decrease from month to month as it is priced on the open market and subject to many factors relating to supply and demand. It is not a 'regulated' rate, rather is a default rate. If you do not have a contract with an electricity retailer, then you are on the RRO. For January 2024, the RRO is priced at \$0.14518 per kWh, reflected on your enclosed orange bill. For February 2024, the Battle River Power Coop monthly RRO billing rate is \$0.15338.

Members are free to purchase electricity services from a retailer of their choice. For a list of retailers, visit ucahelps.alberta.ca or call 310-4822 (toll free in Alberta).
