To the Sherburn and Welcome City Councils,

The department logged 99 calls for service for the month of November. Colder weather typically slows the number of calls that we receive and this month was no different. The department stands at 1,350 calls for the year which is still up over prior years when comparing the same period.

The department average response time was 2 minutes and 30 seconds. This is an excellent response time and the department has had a consistently low response time throughout the year.

Year-end activities have started including preparation of some of the statistics for the Annual report and reviews for the officers. The Annual report should be completed by the end of January or the first part of February. If you have any questions or have any specific information that you would like to see in the report, please let me know.

I hope everyone has a great holiday season.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".
