RULES FOR DISCUSSION FROM THE FLOOR
AND PUBLIC HEARINGS

DISCUSSION FROM THE FLOOR

- Discussion from the floor is limited to three minutes per person. Longer presentations must be scheduled through the Administrator, Clerk/Treasurer’s office.

- Individuals wishing to be heard must sign in with their name and address. Meetings are video recorded so individuals must approach the podium and speak clearly into the microphone.

- Council action or discussion should not be expected during “Discussion from the Floor.” Council may direct staff to research the matter further or take the matter under advisement for action at the next regularly scheduled meeting.

PUBLIC HEARINGS

The purpose of a public hearing is to allow the City Council to receive citizen input on a proposed project. This is not a time to debate the issue.

The following format will be used to conduct the hearing:

- The presenter will have a maximum of 10 minutes to explain the project as proposed.

- Councilmembers will have the opportunity to ask questions or comment on the proposal.

- Citizens will then have an opportunity to ask questions and/or comment on the project. Those wishing the comment are asked to limit their comments to 3 minutes. In cases where there is a spokesperson representing a group wishing to have their collective opinions voiced, the spokesperson should identify the audience group he/she is representing and may have a maximum of 10 minutes to express the views of the group.

- People wishing to comment are asked to keep their comments succinct and specific.

- Following public input, Councilmembers will have a second opportunity to ask questions of the presenter and/or citizens.

- After everyone wishing to address the subject of the hearing has done so, the Mayor will close the public hearing.

- The City Council may choose to take official action on the proposal or defer action until the next regularly scheduled Council meeting. No further public input will be received at that time.
OFFICIAL PROCEEDINGS

Pursuant to due call and notice thereof, the regularly scheduled meeting of the Spring Lake Park City Council was held on June 17, 2019 at the Spring Lake Park Community Center, 1301 81st Avenue N.E., at 7:00 P.M.

5. Discussion From The Floor

Joan Morphew, Legends of Spring Lake Park resident, addressed her concern that she feels that the City was not honest with the age requirement for the Legends of Spring Lake Park. She expressed her frustrations regarding the requirements not being followed and who has been allowed to move into the building.

Mayor Hansen stated that the City was honest with the residents and informed the residents of all the information that was provided to the City regarding age requirements. She assured the residents that their concerns are being addressed as she and City staff have met with Dominium and the issues will be looked into by Dominium. She asked for time for the issues to be resolved.

Administrator Buchholtz explained the PUD ordinance requirements to the residents and assured the residents that their issues and concerns from the previous Council meeting have been expressed to Dominium and it takes time for resolution.

Richard Boldt, Legends of Spring Lake Park resident, expressed his concerns with rental and escrow agreements as well as the misleading information that he feels the residents of the Legends was provided. He feels the City had knowledge of the information and would like answers and more action taken.
Administrator Buchholtz stated that the Council is taking the residents’ concerns seriously, acting as much they can to help the Legends residents even though many of the concerns that have been brought up are out the City’s jurisdiction to solve. He assured the residents that the City is working with Dominium to address their concerns.

6. Consent Agenda:

Mayor Hansen reviewed the following Consent Agenda items:

MOTION BY COUNCILMEMBER WENDLING APPROVING THE CONSENT AGENDA. ROLL CALL VOTE: ALL AYES. MOTION CARRIED.

7. Presentation

A. MS4 Annual Report

Mayor Hansen opened the public hearing at 7:15 PM.

Peter Allen from Stantec presented the 2019 MS4 Annual review. He addressed the Council and provided a slide presentation that showed what an MS4 Permit consists of, as well as who is involved with the storm water management regulation in Spring Lake Park. He stated that three groups regulate it: the State of Minnesota, Federal Programs and local watershed management organizations.

Mr. Allen explained the Storm Water Regulatory Documents that impact municipal operations, which include: the NPDES MS4 Permit, Local Surface Water Management Plans and Watershed Management Plans and Rules.

Mr. Allen reviewed the basic components of the MS4 Permit, known as “Best Management Practices”, or BMP’s. He stated that each BMP addresses one or more of the six main elements of the permit referred to as “Minimum Control Measures” which include public education and outreach; public participation and involvement; illicit discharge detection and elimination; construction site storm water runoff control; post construction storm water management and pollution prevention and good housekeeping for municipal operations.

Mr. Allen reported on how Spring Lake Park is currently in compliance with the MS4 Permit. He stated that the City has formed partnerships with the Watershed Districts and other MS4’s, created City Ordinances and LWMP requirements, created Storm Sewer System Maps along with related brochures and articles, performed inspections on illicit discharge, construction and MS4 system, performed street sweeping, staff training; conducted a Facilities Inventory Assessment, Pond Assessment and completed the MS4 Annual reports to
submit to the Minnesota Pollution Control Agency.

Councilmember Nelson inquired if existing residents were to turn existing stormwater ponds into a beautification pond, would the expense and liability be on the homeowners. Attorney Thames stated that the liability would be extended to the property owners.

Mr. Allen stated that the existing ponds in the city serve a purpose of a stormwater pond and are a requirement of the local watershed districts.

Mayor Hansen asked for public comment. Hearing no further public comments, Mayor Hansen closed the public hearing at 7:20 PM.

8. Police Report

Police Chief Ebeltoft reviewed the May 2019 department statistics.

Chief Ebeltoft reported that the Police Department responded to six hundred fifty eight calls for service for the month of May 2019 compared to six hundred nineteen calls for service in May 2018.

Chief Ebeltoft the Police Department has started deploying the new speed trailer. He reported that the trailer was deployed on 81st Avenue in the 1400 block for westbound traffic. He stated that with the new trailer the Department is now able to collect more statistical data. He stated that the types of data that can be collected includes: traffic volumes, speeds/speed compliance and traffic volumes by days/times. He reported that as the Police Department becomes familiar with the new speed trailer, more statistical information regarding driving habits around the community will be available to the Mayor and Council.

Chief Ebeltoft reported that Investigator Bennek reports to handling a caseload of 32 cases for the month of May 2019. He stated that Investigator Bennek noted having 14 active forfeiture cases. He reported that Investigator Bennek is adjusting well to his new position of Investigator and is continually learning on a daily basis.

Chief Ebeltoft reported that School Resource Officer Chlebeck reported handling 27 calls for service at the local schools, along with conducting 36 student contacts, two escorts and seven follow up investigations into school related incidents. He reported that Officer Chlebeck has been training in the new School Resource Officer, Officer Kramer, for the upcoming 2019-2020 school year. He thanked Officer Chlebeck for his work as School Resource Officer. He reported that Officer Kramer will be the School Resource Officer for the next school year.

Chief Ebeltoft reported, in addition to addressing the day-to-day operations of the Department, he attended numerous meetings throughout the month representing Spring Lake Park Police Department and the City of Spring Lake Park.

9. Parks and Recreation Report

Parks and Recreation Director Rygwall reported that the Parks and Recreation Commission met and discussed improvements for Triangle Park. She reported that backless benches are in the process of being installed at the park. She reported that trees and plantings were discussed as well as the Commission’s participation in the Tower Days celebration and softball tournament.
Ms. Rygwall reported that staff has been preparing the fall activity brochure. She stated that the summer programs at Able Park have been successful and the programs are being taught by three staff members. She reported that the community gardens have been well received and that additional flowers beds will be added next year.

Ms. Rygwall provided the monthly program statistics and a recap of the day trips that were offered. She reminded residents of the Music in the Park concert series taking place on Wednesday evenings at Lakeside Park.

10. Ordinances And/Or Resolutions

A. Resolution 19-13 Authorizing Submittal of the City of Spring Lake Park 2040 Comprehensive Plan to the Metropolitan Council

Administrator Buchholtz supplied a draft copy of the 2040 Comprehensive Plan update to the City Council. He reported that the update is required every 10 years by the Metropolitan Council to ensure development conformity with the Metropolitan Council 20-year vision document.

Administrator Buchholtz reported that the development of a comprehensive plan is no easy feat. He stated that it takes a significant amount of time and effort to update the City’s visioning document. He thanked Stantec, Executive Assistant Gooden, the members of the Planning Commission, the City Council and the members of the public which participated in the Comprehensive Plan update.

Administrator Buchholtz reported that the resolution authorizes submittal of the Comprehensive Plan to the Metropolitan Council for formal review. He stated that once the Metropolitan Council has granted approval of the Comprehensive Plan, the City Council will formally adopt the plan.

MOTION MADE BY MAYOR HANSEN TO APPROVE RESOLUTION 19-13 AUTHORIZING SUBMITTAL OF THE CITY OF SPRING LAKE PARK 2040 COMPREHENSIVE PLAN TO THE METROPOLITAN COUNCIL. ROLL CALL VOTE: ALL AYES. MOTION CARRIED.

11. New Business

A. Approval of First Amendment to Cellular Tower Lease with T-Mobile

Administrator Buchholtz reported that T-Mobile has requested an amendment to the Tower Lease Agreement for their antenna installation at the Able Park Water Tower. He stated that T-Mobile is requesting 253 feet of additional ground space to install a backup generator and platform equipment to service their antenna equipment. He stated that the agreement grants that request in exchange for that request, the rent till increase by $300/month.

Administrator Buchholtz stated that Attorney Thames negotiated this agreement with T-Mobile, in consultation with Community Wireless Consultants, and feels the rent increase is fair to all parties. He stated that staff recommends approval of the tower lease agreement.

Councilmember Delfs inquired if the generator was in an enclosed area and if it ran on natural gas. Public Works Director Randall answered affirmatively.
MOTION MADE BY COUNCILMEMBER DELFJS TO APPROVE FIRST AMENDMENT TO CELLULAR TOWER LEASE WITH T-MOBILE. ROLL CALL VOTE: ALL AYES. MOTION CARRIED.

B. Authorize to Purchase New Traffic Speed Notification System/Signs

Chief Ebeltoft reported that he has received requests from the City Council and the residents regarding deployment of some type of “Traffic Speed Notification System/Signs” for areas in the community that would not be conducive to utilizing the Police Department speed trailer. He stated that the reasons included but are not limited to: short distances of vehicle traffic (one block or less), ability to park speed trailer at location (no area of roadway to allow parking) and potential of speed trailer being damaged by traffic flow.

Chief Ebeltoft reported that he has been researching a possible remedy for these issues for the past seven months. He stated that he has found an acceptable remedy that will accommodate the residents concerns and the City Council’s request for some type of “Traffic Speed Notification System/Signs”.

Chief Ebeltoft recommended a product called “All Traffic Solution, Shield 12 Radar Speed Display.” He stated that it is 15.5” by 13.5” and will attach to any street sign post easily and is secured by a key lock to prevent it from being stolen. He reported that will have many of the same features as the speed trailer but will be considerably smaller and able to be deployed in areas in the community that the speed trailer would not. He stated that the unit will be able to be deployed at a location for 10 to 14 days before requiring it to be recharged. He stated that the recharging of the units would require them to be removed and brought to the Police Department.

Chief Ebeltoft reported that there would be an ongoing annual cost after the first year of $1,200.00 that would cover the App Traffic Site (12 month); Equipment Management, Reporting, Image Management, Alerts, Mapping and Premier Care, this ongoing cost would then need to become part of the annual budget as a line item.

Chief Ebeltoft recommends that the Police Department purchase two units. He stated that he has been able to secure from the vendor a $400.00 credit per unit for a total of $800.00 for the purchase. He recommended that the cost for the purchase be taken from the “Traffic Education Fund 248” as the source of payment, the total cost for the purchase would be $8,280.00.

Chief Ebeltoft reported that he has found an additional funding source through AAA Traffic Safety. He stated that the he has applied for a $1,000 one time grant. He stated that AAA Traffic Safety has $5,000 to dispense to local agencies per year and if the City is awarded a grant, the money would be placed back into the Traffic Education Fund.

Councilmember Wendling inquired if the signs would be mobile and could be moved to various locations. Chief Ebeltoft stated that they are mobile and could be placed in hard to reach areas that the speed trailer cannot get in to.

Councilmember Nelson stated that the signs will be beneficial in cul-de-sacs and on shorter streets.

MOTION MADE BY COUNCILMEMBER WENDLING TO AUTHORIZE THE PURCHASE OF NEW TRAFFIC SPEED NOTIFICATION SYSTEM/SIGNS WITH ANY GRANT FUNDS RECEIVED FOR THIS PURCHASE. FRIENDLY WILL BE DEPOSITED INTO TRAFFIC EDUCATION FUND 248. ROLL CALL VOTE: ALL AYES. MOTION CARRIED.
11. Engineer’s Report

Engineer Gravel reported street work has started and is proceeding on schedule. He reported that the bids for the 2019 Sewer Lining Project will be opened on Wednesday, June 19, 2019. He reported that work on the Osborne Road Trail will start after July 4, 2019.

Mayor Hansen inquired if there will be notification of the trail work. Mr. Gravel stated that signs will be posed on the south side informing residents of the work with the detour being on the sidewalk on the south side of Osborne Road.

12. Attorney’s Report – None

13. Reports

A. Administrator Reports

Administrator Buchholtz reported that he received a letter from the Spring Lake Park Lions to amend the Charitable Gambling Ordinance to allow an organization to be allowed in more than three establishments for lawful gambling. He stated that there has been an interest for the Lions to hold gambling at Torg Brewery. He reported that currently the Lions have three establishments and would like to add another. He stated that a formal request will be presented in July.

Administrator Buchholtz reported that nine applications were received for the Building Inspector position and interviews will be conducted the week of June 24, 2019. He stated that the Parks and Recreation Director position has been posted and the application deadline is July 12, 2019.

14. Other

Councilmember Nelson reported that Family Services is offering free admission to veterans and discounted rates to family members at Valleyfair from July 4 -7, 2019.

15. Adjourn

MOTION BY COUNCILMEMBER WENDLING TO ADJOURN. VOICE VOTE: ALL AYES. MOTION CARRIED.

The meeting was adjourned at 7:50 PM.

Re: 2018 Sanitary Sewer Lining Project  
Project No. 193804547  
Contractor’s Request for Payment No. 3

Dear Mayor and Councilmembers:

Attached for your approval is Contractor’s Request for Payment No. 3 for the 2018 Sanitary Sewer Lining Project. The prime Contractor on this project is Insituform Technologies.

This request covers lateral cleaning and grouting. This request also includes a credit for city time spent on the Arthur Street sewer blockage event.

We have reviewed the contractor’s payment request and found it to be in order. We recommend approval. **If the City wishes to approve this request, then payment should be made to Insituform Technologies in the amount of $28,921.61.**

Please execute the payment request documents. Keep one copy for your records, forward two copies to Insituform Technologies (one for them and one for their bond company), and return one copy to me.

Feel free to contact Harlan Olson or me if you have any questions.

Regards,

STANTEC

Phil Gravel  
City Engineer

Stantec
Memo

To: Mayor Hansen and Members of the City Council

From: Daniel R. Buchholtz, MMC, Administrator, Clerk/Treasurer

Date: June 26, 2019

Subject: Amendment #2 to Lease – RS Properties (8466 Central Avenue NE)

RS Properties is seeking a second amendment to the lease for the premises at 8466 Central Avenue NE. They are planning to refinance and consolidate loans taken out for the renovation of and equipping of the property into one 10-year SBA loan. The SBA lender is seeking the lease to match the term of the note, which would require adding an 18-month term.

The City Attorney is currently reviewing the documents for the refinancing. We hope to be able to present those to you on Monday for approval.

The lease amendment would allow a option to RS Properties to extend the lease an additional 18 months. The rent will increase from $7,000 triple net per month to $8,750 triple net per month. This increase is consistent with the 25% increase between the first five year term and the second five year term. The remainder of the lease will remain in full force and effect.

Staff recommends approval of the Second Amendment to the RS Properties lease. If you have any questions, please don’t hesitate to contact me at 763-784-6491.

Note: Updated information is shown in italics.

MS4 Permit (193802936).  
Annual Training was completed in December. Annual Report and Public Meeting was held on June 17, 2019. Annual report will be submitted.

Local Surface Water Management Plan (LSWMP) (193803949).  
Council adopted on 4-15-19. Currently working with the Administrator on Ordinance revisions.

2018 Sanitary Sewer Lining Project (193804547).  
Project included lining in the northeast area of the city. The remaining tasks include final contractor payment and project close-out (waiting on information from contractor). Terry Randall is monitoring the work.

2019 Sanitary Sewer Lining Project (193804547).  
This project includes sewer lining in the area near TH65 and Osborne Rd. Bids were received on June 19th. See separate letter regarding bid results and contract award.

2019 Street Seal Coat and Crack Fill Project (193804625).  
This project includes streets in the area north of 81st Avenue between Monroe and Able. Construction Contracts have been signed. Construction scheduled to start in mid-July.

Wells 4 and 5 (193804554): Contractor is Keys Well Drilling. Both Well 4 and Well 5 are now operating. Final contractor payment has been approved. This project can be closed out.

Arthur Street (Well 5) Water Treatment Plant Evaluation (193801776 Task 300): Filter media has been replaced and test results are encouraging. A comprehensive plant maintenance project to repair damage from a chlorine leak and to complete ongoing maintenance is being considered. The LMC insurance has been contacted.

Bituminous Trail (on Osborne Rd. from TH 65 to Central Avenue)(193804584): Contract was awarded on May 6th. Construction is scheduled to occur the week of August 5th.

Garfield Pond Improvements Project (193804750): This project is located along 81st Avenue on the south side of the intersection of 81st and Arthur. The Rice Creek Watershed District (RCWD) has approved a grant application for partial project funding. A neighborhood open house was held on April 29th. Currently working on topographic survey and further communication with the neighbors.

Dominium Project. A site walkthrough inspection was completed on September 25, 2018 and again this spring. A site punch-list with remaining site improvement work (including street patching) has been prepared. Punch-list items still need to be repaired.

Hy-Vee Project. Site utility work is substantially complete. Hy-Vee has prepared separate construction plan sets for 81st Avenue/Highway 65 and for CSAH 35 (Central Avenue). Construction continues. Work includes lane closures.

CORRESPONDENCE
June 19, 2019

Mr. Todd Houle  
925 Angel St NW Apt #108  
Elk River, MN. 55330

Dear Mr. Todd Houle,

On June 13, 2019, you contacted the Spring Lake Park Police Department (Case # 19-143345) regarding two juvenile children (ages 5 and 2) that you found wandering around the roadway in the 8300 block of Center Drive NE in the City of Spring Lake Park without any parental supervision.

Subsequently, a Spring Lake Park Police Officer, Officer Fiske arrived on the scene of this call and enlisted your assistance with the children in an attempt to help locate their parent(s). You willingly assisted Officer Fiske with the children and their parent was able to be located. The children were returned to their parent unharmed and safe. Although the circumstances around the children being out alone on a roadway are still being looked into, these children were returned safely to their parent as a direct result of you and your willingness to stop and notify the police.

As a Chief of Police, it is comforting to know that residents like yourself exist and are willing to assist when called upon. I would like to extend my sincere appreciation and gratitude to you for assisting with calling the police in this case and willingly assisting Officer Fiske with the children and locating their parent. It is solely because of your willingness to get involved that these children were safely returned to their parent and avoided any type of injury or worse.

On behalf of myself, the City of Spring Lake Park and the Spring Lake Park Police Department, I again would like to take this opportunity to personally thank you for your assistance with this case! I hope that if the need should arise in the future, you would be willing to assist again.

Sincerely,

Douglas M. Ebeltoft  
Director of Public Safety/Chief of Police
