

Our Mission

We build a bridge of culture and understanding by igniting a passion for history, art and science. The Calico Rock Museum Foundation supports and operates the Calico Rock Museum System. We help our community leave a legacy by igniting a passion for history, art and science. We tell the story of people's everyday lives. We build a bridge between the past and future. We honor the lives of our community's pioneers, from all walks of life, by celebrating the dash and telling their stories. We foster a love for science and share an understanding of the world around us. We are the Calico Rock Museum System.

Historic Calico Rock Photography Contest

Historic Calico Rock Photograph contest is intended to have photographer create photos that look as though they were taken back in the good ole days of Calico Rock. Photos are to be of landscapes and in either black & white or sepia (brown and white),

No live subjects

Judging will be based on:

Photos can be printed at Wal Mart or at Mitchell's Park Street Pharmacy. Mats can be purchased at Wal Mart or Amazon.

- Adherence/Appropriateness to Theme
- Uniqueness of Concept
- Originality
- Clarity of Expression
- Humor
- Creativity
- Innovative Means of Delivering Message
- Entertainment Quality
- Visual Design
- Overall Artistic Impression
- Composition
- Clarity and Quality of Submission
- Color, Lighting, Exposure and Focus
- Audience Appeal

Technique—the approach used to create the image. Printing, lighting, posing, capture, presentation media, and more are part of the technique applied to an image.

Composition— how all the visual elements harmoniously express the purpose or intent of the image. Does the photo draw the viewer in to look where the creator intended?

Presentation— having that finished look. Was the Photo Entry truly ready to be entered or were some finishing touches still required?

Color Balance— can bring harmony to a photo. Do the tones work together, effectively supporting the image? However, Color Balance is not always harmonious and can be used to evoke diverse feelings for effect.

Center of Interest— the point(s) in the photo where the Entrant wants you to view the image. Does the photo draw you in? Does it have more than one center or interest or none at all?

Lighting—how the Entrant was able to use and control light. Was the lighting applied in the photo (manmade or natural) properly used to enhance the image?
