

R45RH Tuesday Trivia Night Rules

1. Prior to the first question:
 - a. Select a captain for your team. The team captain will be responsible for the answer sheets and recording answers.
 - b. Write your team name and round number on each of the answer sheets.
 - c. On the answer sheet, predict how many correct answers you think your team will score of the 50 trivia questions. In case of a tie for first place, the team with the closest estimated score without going over will be the winner.
2. Team size is one to six persons.
3. Entry fee is \$2 per person. Each team captain is responsible for paying the Trivia Master.
4. First place team receives 75% of total entry fees for that night. Second place team receives 25%. Any other prizes will be announced by the R45RH Trivia Master prior to the first question.
5. The trivia competition will consist of 50 questions: two rounds of 25 questions each round.
6. One point will be awarded to each team for every trivia question answered correctly.
7. No one is allowed to use cell phones or any other internet-connected device that allows them to search for answers. All answers have to come from the team members themselves, without any outside help from anyone or anything.
8. R45RH Trivia Master's decisions will be final. Debating of answers is not allowed. If the Trivia Master makes a mistake, it will be consistent and standings will not be affected.
9. Correct spelling on the answer sheets is not required, except for spelling questions. All answers must be legible.
10. More than one answer per question will automatically be scored as incorrect unless there are actually multiple answers.
11. Answer sheets will be collected and distributed to other teams for scoring at the completion of each round. The team captain will be responsible for checking answers.
12. To help improve Tuesday Trivia Night at Rick's 45 Roadhouse, we reserve the right to revise, add, or delete rules from week to week.
13. HAVE FUN!!!
