RODEO STAR ON THE RISE

Mackenzie Becnel

Mackenzie Becnel in action!

Maurepas's own **Mackenzie Becnel** is a 13 years old rodeo star on the rise. She has been riding in rodeos for the last four years competing in Ribbon Roping, Breakaway, and Goat Tying. **Mackenzie** daringly rides her rodeo horses, Jake and Rootbeer, in fierce competition. Currently, she is ranked 4th in the state in Goat Tying, 6th in the state in Breakaway, and 3rd in the state in Ribbon Roping. If you have the opportunity, go watch this fearless equestrian conquer the rodeo world!

NATIONAL BETA WEEK

Pictured are students during the reading service project and the Senior Beta Executive Committee Members with our four new Honorary Beta Members.

National Beta Week was celebrated Monday, March 7 to Friday, March 11. The Senior Beta Club was very excited this year to celebrate and inform others of the National Beta Club! On Monday, the Senior Beta Members sent some “shout-outs” to teachers, staff, and administrators to recognize all the ways the faculty and staff are “Making a Mark” on our school and students’ lives. Also on Monday, four teachers were recognized by Senior Beta Club members as Honorary Members of our club. These teachers were nominated by the club members based on the characteristics of the Beta Club Mission: To promote the ideals of academic achievement, character, service and leadership among elementary and secondary school students. Teachers selected by the club for Honorary Membership this year were: **Amanda Henley, Danelle Richardson, Brett Vampran, and Holly Webb**. Tuesday, the students wanted to “Tell About It”—inform others of how they could be a part of Senior Beta. Representatives from each high school grade level ran a booth at Junior High lunch time to give them information on how to become eligible for membership in the High School Club and the types of activities our club does during the year. On Wednesday, a day dedicated to working with others, the Senior Betas conducted a service project where each Beta member read a book to an elementary class. The Betas had a great time interacting with the K-5th graders, and the younger students enjoyed hosting the Betas and were great audiences! On Thursday, the Beta Club developed an activity sheet and sent it home with all K-5th students on ways to be a successful student and future Beta member. Unfortunately, Friday’s events were cancelled due to storms and flooding. Senior Beta hopes to be able to hold our Beta Spirit Day and other events planned for the 11th at some point in April. Thanks to everyone who participated in Beta Week and all the Beta Members who worked hard to make it successful.

The mission of Maurepas School is to help all students learn and grow, and give their best each day.

CLASS OF 2016—GRADUATION PICTURE DAY

The senior class of Maurepas High School recently was given a day out of class to come together and take yearbook graduation photographs for the yearbook. Photographer **Becky Blount**, along with her assistants, came to school and took cap and gown, drape, tuxedo, and casual individual pictures of each senior. The backgrounds for these individual pictures were a mixture of studio backgrounds, and memorable places around campus, such as the staircases in the main building, the auditorium, and the gym, just to name a few. In addition, several group pictures were taken, one outside under the oak tree where many of our seniors played as elementary students. Seniors were also treated to lunch from Sue's Café, and all ate together in their homeroom classroom. It was a very special day for our soon- to -be graduates. Congrats to the class of 2016!

JUNIOR BETA CONVENTION 2016

Fourteen members of the Maurepas Jr. Beta Club participated in the state convention in Lafayette, LA, which was held at the Cajundome. Club members competed in Book Battle II; English, Science, Math, and Spelling Testing; and Banner II. While there they had some fun at the Kart Ranch and visiting several local restaurants. Maurepas High School was well represented by our Jr. Beta Club students!
