Heinz Jordan & Co and Tenline Sales are pleased to announce the distributorship of Canson Talens in Canada

Heinz Jordan and Company Limited and Tenline Sales Limited are pleased to announce that they will begin distribution in Canada for the Canson-Talens Co. line of products.

We are very excited to have taken over distribution for Canson-Talens in Canada.

This extensive line will compliment our existing line up of art supplies and make us the only full service distributors for the Art Material market in Canada.

We are in the process of setting up records and hope to have this ready to go in the coming weeks and inventory in our warehouses by end of February/early March.

Thank you for your patience in transitioning this line into our warehouses.

Any decreases indicated by a ~ have become effective immediately. New pricing for Canson-Talens will be coming as soon as possible as a supplementary price list.
