

**Lending solutions
as unique as you are.**

Envision the Possibilities.

Imagine...a business partner that mirrors your strategy and echos your vision. That focuses on your goals and helps you attain them. That sees opportunities for growth and collaboration as strength.

You are looking at IndyMac Bank®.

What you'll find is a leader with the foresight to sustain performance throughout all market cycles and with a proven track record year after year in the mortgage industry. While other lenders' volume drops, IndyMac's continues to grow by providing exceptional service supported with an arsenal of products – all designed to ensure we meet the expanding needs of our customers and their diverse pool of borrowers nationwide.

You will experience a Correspondent Services team dedicated to your success. A cohesive team that understands risk management and whose mission is to support your origination objectives, in whatever way you choose. Whether you need us at the corporate level for negotiated transactions or the branch level for product and technology training, IndyMac® is committed to your growth.

And our online lending technology promotes more efficient, profitable production. QuickPricer® and e-MITS® continue to outpace the competition, providing pre-qualification and full submission pricing and decisioning scenarios in under one minute.

We invite you to call your Correspondent Services representative or Lender Relations Team at 1-866-NDE-BUYS to learn about our array of Alt-A, Agency, Subprime, Jumbo, Construction and Warehouse Lending programs.
