- Hall of Fame: Nominations are due 11/1, forms will be distributed to Reps to canvass families.

## Vice President / Concessions Director - Matt Freeman

- Thank you to all volunteers, things have gone very well so far
- Reminder that only adults should take/handle money; students are "runners"

## Vice President / Sub-Committees - Wendy Hacker

- Knight to Remember: Raffle tickets are in (see Heather Coniglio), fall monies due at $11 / 8$ KABC meeting. Winter/spring teams can work with coaches to add $\$ 10$ to spirit pack and avoid selling tickets (much easier). 2018 KTR date is $3 / 17$, more information soon. They will need many volunteers!
- Spirit Store: New committee headed by Jamie Mount and Jenn Schultz doing well, many items have been ordered (shirts, hoodies, socks, mobile phone "poppers," umbrellas, etc). Starting a 'T-Shirt of the Month' promotion - first shirt is for Homecoming and has throwback design using original Kings Mills logo from 1800's (on sale now, limited quantity). Store hopes to open $9 / 22$ if enough inventory to stock; if not, will open the next week. Need volunteers to run the store (every Fri at lunch, every home game held indoors, big school-wide events held in auditorium/cafeteria/lobby). Reps may be asked to add 2 slots to concessions signups to cover; more to come.

## Communications Director - Ann Georgesen

## Cross Country, Men's HS - Dave Studenrauch

The Men's team is fighting through some early season injuries, but has still managed some quality performances in their first 4 races. They started the season with a 14th place finish at the OHSAA Pre Season Invite, where junior Ryan O'Connor led the squad with a 17:15. The following week, the Gentlemen won the Lakota East Classic with senior Nate Muenchen running a PR of 16:43 to finish 8th overall. In week 3, it was the Dual at DeWine where senior Noah Stubenrauch led the Knights with his PR of 16:46. Finally, last week up in Tiffin, Ohio, the team finished 10th out of 32 teams led by freshman Alex Justus in 16:35. The team has 10 runners in the top 17 in the ECC, all under 17:12, and are ranked 4th in the city and 13th in the state in their latest poll. The team has meets scheduled every Saturday going forward, as well as the Kings Invitational at Landen park Tuesday, Sept 26th. ## Dance, JH - Tara Herd

Team will hold its first "get to know you" socialite next week. Girls are supporting HS fundraisers.

## Dance, HS - Keisha Schroeder

KHS Dance Team is out of season but has worked through the summer and continues learn new choreography and technical skills. The KHS team attended two summer camps in Louisville, KY to learn new material for this season. Most of our events integrate both the JH and HS dance teams. The teams and dance families has enjoyed two social events in recent weeks, canoe trip on the Little Miami and an outdoor cookout/sleepover. Loveland canoe donated a portion of the canoe rental back to the team. KHS and KJH Dance have their most important fund raiser coming up. The Ford Drive 4 UR School Event is coming up on September 23 at KHS. We need help from the Kings community to take a 5-minute test drive with one of 12 new Ford cars without any sales pressure. The dance team earns $\$ 20$ per test drive. Our goal is to raise the maximum amount Ford allows of $\$ 6000$ ! There will be other activities in the KHS parking lot from 10am-4pm, including a car wash, concession sales, along with Fall potted mum and pumpkin pie sales. We will also be collecting donations and notes for the Yellow Ribbon Center, an organization that supports current deployed servicemen and women and families of those who have paid the ultimate price for serving our country. We will not be having our chicken dinner sales prior to the homecoming game this year so the Drive 4 UR School/mum/pie sale event is critical.

We received a very positive response to our American flag display at last year's military appreciation night. Based on this, we decided to repeat the display. This year's flag sales have been going on for a couple weeks and sales end September 17. We are hoping to display 2400 flags that honor past and present service men and women. A portion of the proceeds also goes to support the Yellow Ribbon Center. Not Just Jazz Hands is a community service group consisting of Kings High school and Kings Junior High school dance team members. Both teams will volunteer at Matthew 25 Ministries on September 26. The 3rd Annual Kaylyn Daumeyer Golf Benefit is coming up on Saturday October 21. Kaylyn was an 8th grade dance team member when she lost her life in a tragic ATV accident. Proceeds benefit the Kings Local School District Performing Arts Programs. Registration is open until September 30 and more information can be found on the Kings website.

Golf, Boy's JH - Janelle Groff, Tracy Ward
We are mid way through the year with tons of upside in our golf program. Although our 8th grade class is smaller with only 4 golfers, they have done a nice job leading the way. We currently sit at a 2-4 record overall with matches against Milford and Sycamore this week.

## Golf, Girl's JH - Marni Parnell

Exactly halfway through our season, the 8 th grade volleyball team is $2-8$, and 7 th grade is $1-8$.
