## Mare of the Month

Hello Gorgeous! Our featured "Mare of the Month" is **Lemon Pulp**, a classy young mare who backs up her good looks with a great pedigree. She is by the incredibly successful stallion **Pulpit**, sire of 70 stakes winners, 11 Grade-1 winners, 42 graded stakes winners, and 18% stakes horses. With more than \$62 million in progeny earnings, Pulpit is currently rated among the top 30 Broodmare Sires in the country as the sire of dams of 22 black-type winners. Now deceased, quality Pulpit mares like Lemon Pulp are getting harder to find, and just look at all the black type on the bottom side: her dam, **Lemonlime** (by **Lemon Drop Kid**, champion older horse and classic winner of 10 races, and sire of earners of almost \$50 million plus he is the sire of dams of 14 black-type winners), is a stakes winner herself as well as half-sister to another stakes-winning filly. Second dam **Starushka** (by Sham) is half-sister to **Be My Guest** (leading sire in England) plus two additional graded stakes winners and a third stakes-placed horse.

This lovely four-year-old maiden mare is now in foal on a February cover to Spendthrift Farm's exciting young stallion **Paddy O'Prado**. By sire of sires **El Prado (IRE)**, who has already sired wildly successful stallions in Medaglia d'Oro and Kitten's Joy, Paddy O'Prado is poised to be the next success story. As an Eclipse Award Finalist and a five-time graded stakes winner of \$1.7 million, Paddy O'Prado has already proven to be incredibly popular with breeders, having received 171 mares in 2013. Currently standing for a \$15,000 stud fee, his first foals are yearlings and are sure to light up the sales ring this fall. **This is a match made in heaven with ALL FEES PAID, which makes this stunning mare a STEAL at just \$25,000.**
