

Westmoreland City Council
August 1, 2024 Special Meeting Minutes

The Westmoreland City Council met on August 1, 2024 at the Community Center.

Governing Body members present: Mayor; Waide Purvis, Councilmembers, Jim Smith, John Coleman, Bruce Meininger and Ashley Rice.

City Staff present: Maintenance Supervisor; Robert Krohn, Treasurer; Mandi Reese, and City Clerk; Julie Wren

There being a quorum Council President Purvis called the special meeting to order at 6:55 p.m.

Purvis asked Maintenance Supervisor Krohn to take the floor.

Krohn informed the Council that he had to replace the AC unit at City Hall due to it going out yesterday. When the AC units were maintained last month, Alternative Air said it was on borrowed time.

Krohn encouraged the Council that whatever decision is made regarding the pool, it may be a good idea to have our engineer firm SMH and/or Waters Edge Aquatic Design firm watch over whatever may take place. They would have our best interest and be sure all the work is done properly. He also informed the Council to remember if we demo we have 18 months with possible extensions to rebuild or if we keep what we have we have 6 months to rebuild. Along with the repairs, must fill out correct paperwork, and the projects must be paid up-front to be reimbursed once FEMA approves the paperwork.

The main window and siding at City Hall has not been installed. Krohn let the Council know he has e-mailed Summer to be involved with it so the repairs can be completed. Another contractor will be contacted to come in and complete the work once the materials have been reordered.

There being no further business, Councilmember Smith moved to adjourn the meeting. Councilmember Meininger seconded the motion. The motion passed 4-0.

Mayor Purvis declared the meeting adjourned at 7:15 PM.
Approved by the Governing Body on August 8, 2024.
