

Show Biz Kids (SBK) is a musical theatre program for children 6 to 18 years old that helps them develop performance skills in theatre, dance, and voice. Two performances are held yearly in January/February and June. A musical theatre workshop is also held during the summer months. There are both non-auditioned and auditioned levels of SBK classes, and all SBK classes are held on Monday afternoons/evenings.

For over two decades, our Show Biz Kids (SBK) students have had the opportunity to participate in productions of many classic and contemporary Broadway shows, including:

Bye Bye Birdie, Fiddler on the Roof, 42nd Street, The Sound of Music, Crazy for You, Seussical The Musical, Anything Goes, Into the Woods, The Wiz, Beauty and the Beast, Thoroughly Modern Millie... and many others!

Each of our productions is presented in a real theatrical venue, with beautiful sets and costumes...and a live musical ensemble!
