ALL OF OUR FOOD IS MADE TO ORDER

We Char Grill your burger as soon as you order it, we don't "heat it up." When you order a Grilled Chicken Sandwich, we don't put a pre-cooked chicken breast in the microwave, we actually grill it. Our Salads are just as fresh as you could make at home. This is why our food tastes better, but it can take a little longer for some items. We promise, it's worth it. Please let us know what you think!

FREQUENTLY ASKED QUESTIONS

WHAT'S A "CHICAGO" HOT DOG?

Chicago is famous for more than its politics and wind (same thing really). It is also famous for Hot Dogs. The reason is simple - you'll understand the first time you try one. A Chicago Dog starts with an all beef, skin-on frank, steamed or grilled and cradled in a fresh poppy seed bun. Add Yellow Mustard, Bright Green Relish, Fresh Chopped Onions, Tomato Wedges, a Kosher Pickle Spear, Sport Peppers (careful!) and a Dash of Celery Salt. Now you have the genuine article.

WHAT'S A "CAROLINA" DOG?

Another great taste tradition. The Carolina Dog starts with the same all beef, skin-on frank, freshly steamed with our poppy seed bun. Then it's topped with chili, mustard, onion and snappy fresh cole slaw.

O.K., TRADITION'S GREAT, BUT WHAT ABOUT US NON-CONFORMISTS?

Hey, you can have anything you want on your dog - from just plain to the works. We only charge extra for Chili and Cheese.

IS MATT REALLY FROM CHICAGO?

You better believe it, born and raised there. We know how to serve the real thing.
