Committee Preferences 2016-2017 School Year

As a cooperative, TOPS relies on parental contributions to maintain our school through committees associated with specific needs. Please complete this form to indicate which committee(s) you may be able to support. Committee assignments and coordinators will be posted in September.

Farm Boy Food Pick up

Our lunch bunch receive delicious, healthy meals provided by Farm Boy. These meals require volunteers to pick up food at the store at Tenth Line & Innes. Pick up is usually on Monday mornings, but may occasionally be needed on another day. For 2016-2017 each volunteer will pick up food approximately once every 4 weeks. Payment is made using a gift card provided by the director.

School Maintenance and Cleaning

Yard Maintenance: Lawn mowing, trimming bushes and trees, sand turning, etc.

Mid Year "Spring Clean": Team provides a deep cleaning of stove, fridge, shelving units, chairs and other identified school components during school holidays.

School Improvement: Provide repairs and general maintenance of the preschool throughout the year. Tasks may require specific skills and training. Please indicate your qualifications.

Laundry

Laundry volunteers take a basket of laundry home once every six weeks, wash it and return it on their child's next school day.

Playdough

With recipe and ingredients provided, volunteers make play dough for the preschool once every few weeks.

Fundraising & Events

Throughout the year, TOPS families hold fundraising/social events which require baking, setting up spaces, general organization, etc. Every member of this committee will be expected to actively participate in organizing social events that take place throughout the year, as well as assist in the running of any fundraising initiatives that may take place (ie McMillian's food orders, Boston Pizza, Rona etc).
