Next Club Meeting ... 01/05/19 [Saturday @ 08:30]
01/10/19 [Thursday @ 19:00]

Have a friend interested in joining the club? Bring them to one of the January meetings!

SAFETY ORTS:

Ammo requirements:

Steel core bullets are not allowed. These bullets may cause damage to the backstop. How do you know if your bullets are steel core? Keep a magnet in your range bag and run it over the bullets. If the magnet sticks, don't shoot it at TPPC. You will typically see this in Chinese and Russian ammo brands.

Also, remember that .22 magnum is not allowed. These rounds exceed range velocity requirements and will cause damage to the backstop.

Safety refresher class:

Until you attend a safety refresher class, you will NOT be allowed to renew. Because of the safety class requirement, renewals will no longer be accepted by mail. You can come to a regular meeting and attend the new member class afterwards to meet the requirement. After attending the class, you will be allowed to renew your membership.

LEGAL EAGLE ORTS:

The new majority in the House of Representatives has promised to pass more gun control laws. Keep yourself informed. There is a lot out there at Texas Law Shield, NRA ILA, etc.

Here are some links to NRA ILA Newsletters:

EVENTS:

LTC practice is “every other” Thursday night at 18:00 – 20:00 hrs. Check the calendar for specific dates. This is an excellent opportunity for members to become more proficient with their carry gun/holster setup that they use for carry.

IDPA Practice is every Wednesday night at 18:30 hrs

Don't forget about Maintenance night. Tuesday night at 18:00 hrs after the Saturday meeting. Come out and keep the club in good shape. If you attend 6 maintenance nights, you will get \$25 off your annual dues.

WHAT'S HAPPENING IN TPPC:

The 2 new AC units will be installed in the classroom. These units will have both heat and air and should make the classroom much more comfortable.

We are looking into bullet retrieval systems and getting all the pricing to help make the decision. This is the best option for the Club in the long run. It will eliminate the need for the sand and the routine lead mining.

We are planning to remove the carpet from the booths due to dust accumulation in the carpet.

We will be giving away 2 guns at the January meeting for members who attended at least 10 meetings in 2018. Set your goal to get into the drawing in January 2020 by making at least 10 meetings in 2019.

Everyone who renews their membership will receive a TPPC decal. If you don't want to put it on your car, they also look great on hard cases. Additional decals are available for purchase for \$1/each if you would like more.

You can email texaspanhandlepistolclub@gmail.com if you have any questions. It is routinely checked by the officers.

Have you gone to the club Facebook group? TEXAS PANHANDLE PISTOL CLUB Please come and join. This will be a good way to communicate information within the club (but not the only way).
