

**APRIL 2016**

Auxiliary Members,

I know you probably have filled out your year-end reports, but I would like you all to know that if you have something more to report please send me a supplement for it. I am enclosing a copy of what I am basing the awards on. Everything you have done for youth activities should fit in one of those categories.

I want to thank you for all your work with the youth in the state. It has been a pleasure to serve as your Department Youth Activities Chairman. I hope to see you at convention when you pick up your awards.
