Dear Friends,

What a wonderful welcome to Spring with the return to us of the fabulous international pianist, Albert Lotto.

This time, in between tours he brings us a beautiful Beethoven program, including the Moonlight Sonata. We might be treated to some Chopin too.

"As a young man, Albert Lotto was cited by music critic, Robert Sherman of the New York Times, as a pianist of "spectacular virtuosity" and by Irving Heller of the Montreal Gazette as one who has the gift to communicate the romance and poetry of the music of Brahms, Schumann and Chopin with an "ability which is rare, even phenomenal for one of his years".

The public is welcome to attend the concert. Non-members will be asked for a suggested minimum \$5 contribution to the scholarship fund. Thank you.

The audience is invited to meet the artist at a reception immediately following the concert.

For more information or directions, call co-presidents Marcia Klein (914) 631-6674 or Judith Skoog (914)948-6775.
