#### Recycling Fund Raiser

Please consider donating your beverage containers that have piled up over the holiday. If you wish to donate your beverage containers, you can do so by dropping your bags into the green bin next to the parish centre door. We ask that you drop off your recycling in this bin on Mondays if possible. This will give time to bring the bags to the depot and get a report for the bulletin. Please remember this is for beverage containers only (pop cans, juices boxes, liquor bottles, beer bottles) not milk cartons, soup cans or plastic containers. Please be careful as to what you put in the recycling bags. The containers must be cleaned and caps removed. Thank you to all who are contributing. **To date we have \$1025.70 in our recycling account.**

### **Development & Peace**

In Canada, most people can speak out freely when injustice is committed. In many countries of the Global South, however, communities are threatened when they seek to protect their rights, especially their right to a healthy environment. This climate of insecurity is often fuelled by the presence and influence of corporations, some of which are Canadian.

Undaunted, many vulnerable communities fight courageously to defend their rights, their lands and the environment against corporate harm.

This year, Development and Peace's **People and Planet First** campaign invites you to stand in solidarity with them and celebrate their work!

To learn more about the campaign, join us for an introductory workshop at 9:30 on Saturday, September 25, 2021 at Corpus Christi Parish Hall, Waterford Bridge Road.
