The purpose of the Marion County Genealogical & Historical Society shall be to bring together those people interested in the history or genealogy of our community. The society's major function shall be to discover and collect any material which may help to establish or illustrate the history of the county or any part of the county. The society will disseminate historical and genealogical information and arouse interest in the past by publishing such material. This society is incorporated in the State of Illinois as a Not-for-profit Corporation.
