Committee Reports

2018 BULLETIN EDITOR'S CONTEST REMINDER

With the AFMS contest occurring in early April this year, the deadline for submittal to the **2018 SFMS** contest is **JANUARY 5**. I realize this is tight, but it is the best that we can do to meet the AFMS submittal deadlines. As with the 2017 contest, the number of category entries allowed per club remains at four entries per category. The only categories this rule change does not apply to are the individual bulletin categories including 'New Editor', 'Mini Bulletin', 'Small Bulletin', and 'Large Bulletin'. These bulletin categories will remain at one single entry per club for one of the four categories.

If you have been apprehensive about entering the contest because you were unsure of the process, let me briefly explain it. Choose which articles, features, poetry, etc. you would like to submit as entries to the contest (up to the limit allowed). Next, go to the

SFMS web site link for the bulletin editor's contest

(http://www.amfed.org/sfms/bulletin_contest.html), select the category that best fits each entry and read the guidelines about that category. Find the link for the score sheet for each category you submit as an entry. Fill out the top half of the score sheet(s) and attach to each your entries. Please include a copy of each entry and score sheet with your submission. Please also include an electronic copy of each entry on CD or DVD. That's all there is to it.

I receive a number of exchange newsletters from several editors within the SFMS. Quite honestly, there have been some potential top award winners that were never entered. I encourage each and every bulletin editor to submit entries. It is a great way to learn and make your bulletin even better. We can all improve how we communicate information to our clubs. That makes the editor the focal point for club communication.

Remember, to qualify for the 2018 contest, your entry must have been published exclusively for your club newsletter or bulletin during 2017 ending December 31. Please send in your submissions to the following address:

SFMS Bulletin Editor's Contest
c/o Mark Easterbrook
6701 Dorchester Road, Apt. 1007
North Charleston, SC 29418

Email: asgardsgc@earthlink.net
Cell: 843-276-4016

I look forward to your entries.

Workshop Scholarship Committee

The First SFMS Scholarship drawing was held at the annual meeting in Knoxville, TN this October. Prizes that are to be mailed have not yet been mailed out. Some prizes were collected at the meeting by those attending.

The drawing for the scholarships to be awarded to the SFMS clubs was held. The certificates will not be mailed to the winning clubs until all the prizes are sent out and the Education Committee sets the rate for the workshop weeks for 2018. We will not know until those 2 things happen if we will be awarding 7 or 8 scholarships to the 2018 SFMS Workshops at William Holland and Wildacres.

The winning clubs are:

North Mississippi Gem and Mineral Society

Canaveral Mineral & Gem Society

Knoxville Gem & Mineral Society

Columbia Gem & Mineral Society

Georgia Mineral Society

Columbia Gem & Mineral Society

Knoxville Gem & Mineral Society

North Mississippi Gem and Mineral Society

We will start collecting prizes for the 2018 drawing soon. Club Treasurers may use any tickets that were not used this year, as they are not dated. Of the 72 member clubs in the SFMS, only 18 chose to participate this year. We had 49 drawing prizes and a total of 2824 tickets sold. The member clubs earned from 1 to 22 chances in the drawing for the scholarships. Some clubs sold more than 1 ticket per club member as well as sending in prizes. Some clubs only sent in prizes. While this is fantastic, it is the money collected from selling the tickets that provides the scholarships. Hopefully, we will do even better in 2018.

Prize #	Description	Winner	Club
2017.01	Hand thrown pottery bowl, approximately 6 inches across.	Lisa Roberts	Knoxville Gem & Mineral Society
2017.02	Tampa Bay Coral Specimen	Beryl Faith Ferguson	Tomoka Faceters Guild

Largo Cultural Center, Parkside Room, 105 Central Park Drive, Largo,
Florida

Turn south off East Bay Drive just one block east of Seminole Blvd.

Free admission.

Donation \$1.50 for hourly drawing; Silent Auction every hour

Unique jewelry has fascinated mankind since cave days. Today that still

holds true as men and women create wonderful gem and mineral ornaments from nature's abundant rocks and minerals. Members of the Gem and Mineral Clubs in our area gather together monthly to share their hobby.

The members of the Pinellas Geological Society and other local Gem and Mineral Clubs will be showing their cut gems, silver and gold jewelry, wire wrap, beading, cabochons, and collections of rocks and minerals for your viewing pleasure and purchase. This show is for every one of all ages who are fascinated by and enjoy seeing and learning more about nature's beauty in gems, rocks and minerals.

Contact person: Leona Feldhaussen , Co-Chairperson, Phone (727) 709-3236

For additional information and maps visit www.MTGMS.org/show.htm

Show contacts: Mardy Smith, Show Chair (show@MTGMS.org) or Steve Henegar, Dealer Chair (show@MTGMS.org) Email: show@MTGMS.org

Classes at the show: All classes are on Saturday 12/09 and start at 10:00 AM until 4:00 PM

Traditional Wire Jewelry Techniques with Dale "Cougar" Armstrong \$ Metal Clay (PMC) Jewelry, Design Basics with Pat Lillie, Scrimshaw with Rich Williams, Flintknapping - Making stone tools with Michael J. Miller

For more information on the classes send email to:

classes@mtgms.org Pinellas County non-profit Gem and Mineral Hobby Club

Announces our Forty-second Annual Gem, Jewelry and Mineral Show and Sale

Friday and Saturday 10 AM to 5 PM; Sunday Noon to 5 PM

The policy of the Southeast Federation of Mineralogical Societies, Inc. is that neither the name nor the logo of the Federation may be used for commercial purposes. If any commercial ventures using the name or the logo of the Federation are found, Member Societies and their members are requested to advise Federation Officers.
