

The Steele's Missionaries to the Local Churches of America

April/May 2019

Dear Pastor and Church Family,

Several weeks ago we were in a service and the pastor preached a message on being in a storm. He said, "If you are not going through a storm now, just hold on there's one coming." I remember saying to myself, "Things have been going pretty good for us, I hope that a storm is not coming our way!" Lately it seems that we have entered "hurricane" season! We have had several issues come our way the past few weeks, one of which was our truck experiencing engine failure. We were just driving along and heard a noise and that was it; the engine seized up. Praise the Lord we were not pulling the trailer at the time and were only 80 miles from our home church! At the current time, the truck is non-operable. We have some dear friends that have loaned us their vehicle until we can repair ours. God is so good! We have a loving Father who is in control of everything. There is no need for us to worry or fret. We are just trusting Him. He will work everything out for our good. ***"And we know that all things work together for good to them that love God, to them who are the called according to his purpose." Romans 8:28***

God has continued to bless us with a full schedule of meetings. Most of our meetings since our last update have been in Texas. We have driven nearly 2,000 miles just in this state! While in Texas we were able to visit our home church, preach in our Bible College and serve as altar workers during our Friend Day services. We were also able to spend a little time with family during Easter. In addition to the meetings in Texas, we had two meetings and a mission conference in Alabama. We also were blessed to be in two additional mission conferences, one in Mississippi and the other in Arkansas. Praise the Lord we have had three new churches adopt us into their mission family! Our support continues to grow and the deputation finish line is close within our reach! Pray that we will gain the rest of the needed support quickly. In the month ahead, we will be continuing to travel through Texas and through the east and southeast portions of the country.

Thank you so much for all of your prayers and support. You are a vital part of our ministry. Please pray for our truck situation and for our safety and provision as we travel .

We love you all and thank God for you,

Todd and Ginger Steele
