
FALL CHURCH RETREAT

“A Day of Rest: Exploring the Fullness of Biblical Rest”

Description: God’s idea of rest as revealed in scripture is so much bigger than simply ceasing from work. Yet many of us rarely experience the deep, freeing, and communal rest offered to us through Christ. Let’s explore God’s invitations to rest as we share a restful retreat day together.

The Spiritual Growth Committee is planning a Fall Church Retreat with the assistance of Dr. Rebecca Letterman. Dr. Letterman has a M.Div. from Northeastern Seminary. Her other degrees include: Ph.D. in Linguistics, Cornell University, 1997; M.A. in Linguistics, Syracuse University, 1990; B.A. in English, Roberts Wesleyan College, 1985. Dr. Letterman was ordained through Covenant Church of Pittsburgh, 2004. She completed a two-year certification program in formative spirituality at the Epiphany Academy of Formative Spirituality, Pittsburgh, PA, 2004, where she has been an adjunct faculty member since 2004. Dr. Letterman's research interests include the intersection of language, early church history and theology, and spiritual formation.

Retreat Location: Greece Canal Park, Rotary Lodge on Saturday, October 17, 2015 from 10:00 AM- 4:00 PM

** We will enjoy morning refreshments and a modest lunch. We are asking for a \$5.00 donation. Reservations are required so we will be sure to have enough food for everyone. Please contact the church office at 663-3000 to reserve your spot or for more information.*
