Booth area will be approximately 10-ft x 10-ft. A minimum of one table will be provided for each booth.

ALL booth decorations must be fire retardant or sprayed with fire retardant spray. An "ABC" fire extinguisher must be available at each booth. No nails, staples, or tape will be allowed on walls, floors or other Dome property. Well-behaved dogs are encouraged to be at the booth. If you need power, this must be reserved ahead of time. (There is an additional charge for power.) To keep costs to a minimum, the booth spaces will be marked out with tape (or similar marking), no pipe and drape will be used. You are welcome to use "pop-up" canopies for your booth. However, the tops must be removed to allow fire suppression systems to function in the Dome and your 'frame' must fit completely within your 10x10 space. The 'Breed Booths' will be along the front wall and a free-standing row in-between the wall and the rings. All booths in the free-standing row will need to have a 'back' to their booth. This can be a sidewall to the canopy, etc. We will do our best to accommodate requests for positions, but this will be on a *first-come, first-served basis*.

Priority will be given to FSS & Miscellaneous breeds. But all AKC breeds will be welcome as space allows. By participating in this event, you agree to follow AKC rules and Code of Sportsmanship. No selling of animals is permitted. All Reservations are due by March 15, 2022, unless spaces are filled prior to this date. Each 10x10 space is \$50 for the weekend. Power is an additional \$50 for the weekend and only available along the wall. (If you have reserved 2 spaces and require power you only need to pay for the power one time... not per space.)

The purpose of the AKC National Owner-Handled Series (NOHS) is to recognize and showcase the quality dogs being exhibited by owner/handlers and to provide a venue for the owner/handlers to compete against their peers. The determination of the awards in the AKC National Owner-Handled Series is based solely on the quality of the entry. The owner/handler's handling ability is not of consideration.

- Exhibitors must declare their dog AKC National Owner-Handled Series eligible at the time of entry using the check box on the entry form. The handler must be an owner of record according to the AKC's records as of the date of the show. Dogs declared eligible will be identified by an asterisk or other representative mark in the judge's book, steward's book, and the show catalog.
- *Professional handlers, household members and current assistants to professional handlers may not exhibit.
- The Owner-Handled Best of Breed will be selected from the eligible dogs that competed in the Best of Breed/Variety competition for the regular show. This includes Winners Dog, Winners Bitch, and the undefeated winners of the non-regular classes. This excludes all dogs defeated during class and winners competition for the regular show.

**Professional handler is defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. Eligibility restrictions apply to all members of the same household. Household members and current assistants to professional handlers in conformation are not eligible to exhibit in this competition. A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend.
