

OUR ORIGIN OUR JOURNEY

For those who want to open a new restaurant, different from others and / or those who wish to renew an existing business.

PASTAPAS is a new brand and concept that optimally adapts to current market requirements, such as the speed and quality of catering, in the Italian and Mediterranean tradition and culture.

A clean and fresh environment where food is produced, cooked and tasted at the time, offered as tastings (tapas) to try to plunge you into various flavors, with experiences that had not been attempted before.

Fresh pasta made with fine and different flours, sauces made with the highest quality ingredients will give the desired flavor.

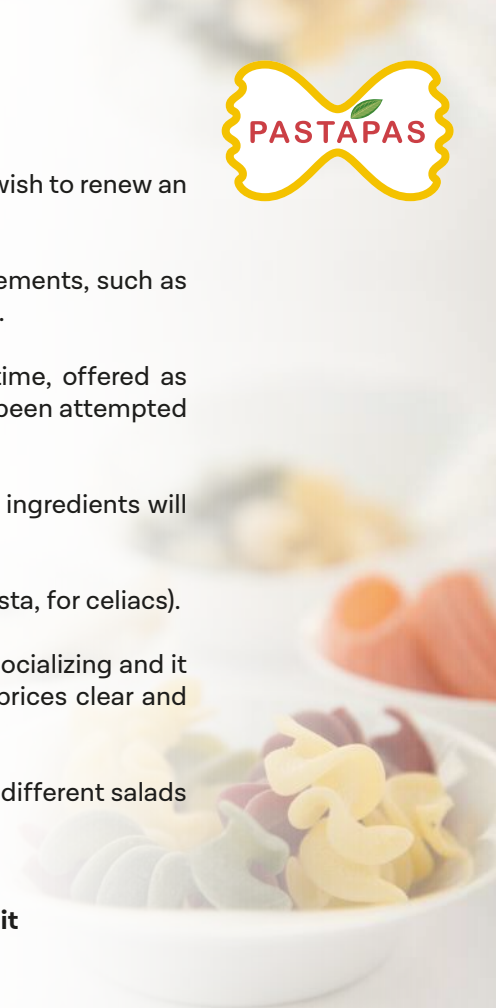

Availability of organic, vegetarian and vegan food...and also gluten-free (gluten-free pasta, for celiacs).

Environment not only for gourmets and lovers of good food, but also for meeting and socializing and it is also a flavor, like being comfortable until the end of the experience, because with prices clear and honest for all tastings, everything will be under control.

And not just fresh pasta! On the menu, there will be other delights, such as savory pies, different salads and other tasty little surprises!

WHAT WE OFFER

Ask for sheet "Proposal" and "Price List / Packages" visiting our website www.pastapas.it

CONCEPT

Fresh pasta workshop, with open kitchen, served in many small tastings and tapas. Fresh and healthy food cooked on the spot with very short preparation and service times.

Conceived and designed for the opening of new premises or to renovate, existing locations.

Perfect for most size location, great for shopping mall or food streets to offer something unique and different.

Customers will be able to see the kitchen and preparation of fresh pasta.

Enjoy meals in a casual & nice atmosphere or take-away of fresh pasta to cook at home or take-away ready-to-eat dishes.

Franchising or customized proposals

Low initial investment.

"Light & Easy" Collaboration PROPOSAL

No entry fee, no exit penalties and no furniture purchase obligation. Quick opening, easy run.

Offered packages are already inclusive of all the machines and tools to produce and cook the pasta.

Most raw materials can be purchased in the local market and more.

A - Choice of one of the proposed packages:

BASE, BASE +, BASE ++ or Custom.

B - In all the packages, all that is necessary for the production of fresh pasta is included. Anything not specifically mentioned in the packages is not included.

C - You need to add other appliances needed in the kitchen and furniture and they can be acquired locally to reduce initial costs. We can supply all or part of the necessary items on request.

D - OPENING OF "PASTAPAS"!

E - For OPERATIVITY:

The only purchase obligations on our part are all flours (specific for pasta and specialties) as well as some special sauces and other ingredients. We also suggest our special espresso and cappuccino coffee and Infusions, in pods.

All the rest can be purchased locally according to our own qualitative standards and information, based on the recipes provided. In any case, all the necessary goods are available from us. All products we process are of the highest quality and provided at competitive prices.
