ACCESSING GOOGLE SCHOLAR AT HOME

This tutorial will provide you with the steps to take to access articles from Google Scholar while not connected to the UNLV network. You should only have to do this once for every device/account.

Access Google Scholar

Go to https://scholar.google.com/ and use the icon on the top left to find the "Settings."

Library Links

Click on the "Library Links" option to add libraries to your account.

Add UNLV to Your Library Links

Search for "University of Nevada, Las Vegas," check both boxes, and click "Save"
