***Spackman Entertainment Group Limited Will Be the First Korean Entertainment Company Listed Outside of Korea; First day of trading expected on July 22, 2014***

**TORONTO, July 14, 2014** – Spackman Equities Group Inc. (the “**Company**” or “**SEGI**”) (TSXV: SQG) announced today its entertainment subsidiary, Spackman Entertainment Group Limited (“SEGL”), one of Korea’s leading theatrical film production groups, registered its Offer Document and launched its Initial Public Offering (“IPO”) on Friday, July 11, 2014 in Singapore. SEGL is seeking a listing on the Catalist board (“Catalist”) of the Singapore Exchange Securities Trading Limited (“SGX-ST”).

Commenting on the registration, SEGI Chairman and CEO Charles Spackman, who is also the Executive Chairman of SEGL, said: “We are delighted to launch our initial public offering in Singapore. Korean entertainment content has been well-received in Singapore and other markets in Southeast Asia. This is in line with the growing demand for Korean entertainment content in overseas markets in recent years, especially in Asia.

Through our listing, we are looking to establish a channel through which investors in Singapore and in the region will have a unique opportunity to invest directly in the growth of the Korean film and entertainment industries. The listing will increase our visibility in the region and benefit our international business expansion efforts.”

The Offer Document was registered on July 11, 2014 and the placement will close on July 18, 2014 at 12:00pm Singapore time (July 18, 12:00 am EST). Listing and the first day of trading on the SGX-ST is expected on July 22, 2014 at 9:00 am Singapore time (July 21, 9:00pm EST).

Under the IPO, SEGL will offer 69,440,000 shares, comprised of 50,000,000 new shares and 19,440,000 vendor shares, at SGD \$0.26 (CAD \$0.22) per share. Post-listing, SEGL’s enlarged share capital will be 395,310,000 shares, and it will have a market capitalisation of SGD \$102.78 million (CAD \$88.31 million).

SEGI owns 154,620,000 shares of SEGL, which will represent 39.1% of the total outstanding shares post-listing. Based on the IPO offering price of SGD \$0.26 (CAD \$0.22) per share, the implied value of SEGI’s stake in SEGL will be SGD \$40.2 million (CAD \$34.5 million), or CAD \$0.23 per SEGI share.

SEGL intends to utilise the net proceeds of approximately SGD \$10.84 million (CAD \$9.31 million) from the placement to invest into films produced by SEGL or third parties; expand the company’s operations via acquisitions, joint ventures and investments; establish overseas offices; and for general working capital purposes.

Anthony Wei Kit Wong, a director of the entertainment subsidiary, SEGL, who was also recently elected as a director of SEGI at the Annual General Meeting held on June 12, 2014, has decided

not to serve on the board of SEGI in order to avoid any potential conflicts of interest between the two entities. SEGI will be appointing a new independent director in the near future.
