

## Net on Net Class Description

### Project Description:

Explore color blending, tubular netting, and horizontal netting with this exciting piece: a bracelet with the gleam and sophistication of fine jewelry. The bracelet is completed with a clever method of attachment to a high quality secure clasp. Some prior experience in bead stitching is helpful in making this a joyous class.

**Skill level required:** All skill levels and ages welcome! No experience necessary.

### Supplies (in kit):

- 11/0 or 15/0 seed beads in 6 colors. One of these 6 is for the outside net.
- clasp

### Tools (please bring):

- Fireline 6 or 8 lb
- Size 11 beading needles
- Scissors
- Beading Mat
- Task lamp
- Microcrystalline wax or beeswax (optional)

**Time required for class:** 3 hours

Students will probably not complete project in class
