**GIRLS' VOLLEYBALL PROGRAM**

**Booster Club Reporter:** When did you start playing your sport/how did you get introduced to it?

**Kora Kauling:** I started playing when I was in 4th grade because my sister started playing first and when I went to her practices it looked like fun.

**Nora Meehan:** I started playing volleyball when I was in 7th grade for the YMCA and then went switched to play for a club team at Sports Performance in 8th grade. I got introduced to this sport through a girl on my club soccer team. When we would hang out she tried to teach me some volleyball and told me I should play.

**Booster Club Reporter:** Do you play any other sports?

**Kora Kauling:** No

**Nora Meehan:** Currently no, I only play volleyball.

**Booster Club Reporter:** What has your sport taught you/what lessons have you pulled from it?

**Kora Kauling:** From playing volleyball I learned a lot about hard work and how important it is to always give 100%.

**Nora Meehan:** My club and volleyball in general has taught me so much. One of the biggest lessons I've learned is that its the little things that you do that matter. It's the details that can separate a good player and person from the greats.

**Booster Club Reporter:** What do you wish you knew when you were just starting?

**Kora Kauling:** I wish I knew that I would continue playing so I would have been more serious about practicing in the beginning.

**Nora Meehan:** I wish I knew how serious of a club I joined haha. But seriously, I wish I knew how much time and dedication went into the process of being a successful athlete. I'm willing to give my time to this sport I love, but I think it's important for others to know the process because many don't and end up quitting because of the process.

**Booster Club Reporter:** What quote/inspiration do you resort to when things get really hard?

**Kora Kauling:** I always think of the quote "it does not matter how slowly you go as long as you do not stop" because it reminds me that no matter how I may struggle I can never give up.

**Nora Meehan:** I have two, "Tough times never last, but tough people do."- Robert H. Schuller and my second quote is, "Every battle is won before it has even begun. You have to win it first in your mind."- My Grandpa

**Booster Club Reporter:** Share something about you that isn't well known.

**Kora Kauling:** Most people wouldn't know that I used to swim when I was younger, but I quit because I wasn't very good.

**Nora Meehan:** I am the only red head in my family.

**Booster Club Reporter:** Where do you go from here? College plans?

**Kora Kauling:** Next year I plan on playing volleyball at Wichita State.

**Nora Meehan:** I plan to attend Indiana University where I will play D1 volleyball and major in business.

**Booster Club Reporter:** Do you have a role model?

**Kora Kauling:** My role models would definitely be my parents as they have helped me so much over the years in my sport by constantly providing me support and guidance.

**Nora Meehan:** My Grandpa. He is one of my best friends and the most dedicated, hard-working and loving person I know. He's 80 and still does 100 push-ups everyday... I hope I can live a full and rich life like he still does.
