NOTE: Think **Thursdays** are for children ages 10 and up only. This program is not designed for younger ages. It will be a “Come & Go” tinker lab event available from 1-3 PM. Independent thinking, group cooperation and creativity will be cultivated. Students will have supervised access to low temp glue guns and x-acto knives.

LAST WEEK OF MAY: **Start Registering for Summer Reading Club “A Universe of Stories”, at the library.** A child does not have to register for the reading program to come to the events hosted throughout Summer Reading. Children under 10 must be accompanied by an adult for the duration of all programs.

June 4: REPCO Wildlife: Hang out with animals that have been involved with the space program! REPCO will be bringing lizards, snakes, turtles, tortoises, frogs, mice, and spiders, and sharing cool facts about these animals’ interactions in space!

June 11: Texas Snakes: Explore all things snake: snake safety, benefits of snakes in the wild, venomous snakes found in our area and so much more, including a 14 FOOT PYTHON!!! Texas Snakes will be bringing 7 critters for the kids to interact with!

June 18: Chris Rybak: Sing and dance along with the always entertaining Chris Rybak as he and his family teach some classic Polka dances and songs.

June 25: Eat Smart to Play Hard: Gayle Bludau will be here to share healthy food habits by engaging the kids in song, dance, storytime, and a smoothie bike!!!

June 28: Last day to register for Summer Reading Club.
